

Reinburg Will Leave Air Base

Tom Moseley To Head Summer Recreation Program Will Start June 10 At Hondo

New AF Chief Due Here Around June 10

The Summer Recreation Program Board of Governors met Thursday and hired Tom Moseley as Director. Moseley is a science teacher at Hondo High School and is the Owl basketball coach. The summer program will begin June 10 and run through the first week of August.

The Board of Governors feels they have hired a most capable, qualified and energetic Director in Tom Moseley and that he will present summer activity the youth of Hondo are looking forward to.

Moseley is well qualified for the job, being a past counselor for the YMCA Camp at Hunt. His duties there were counselor and to instruct boys in archery, baseball, basketball, rifle range, etc. He has served as Recreation Director for the San Antonio Harlandale Recreation Department and won the City Championship plaque in special events. His duties for the Harlandale Recreation Department for the summer months were to organize teams for special events (ping-pong, shuffle board, horse-shoes, softball, tennis, checkers, badminton, etc.).

Proposed Program

Moseley, in his application, assured the Board of Governors he would do his best to give the youth of Hondo a summer program that they can enjoy and be proud of — as opposed to something just to occupy time. His idea is that the program must have organization and offer these basic ideas:

For the smaller children, the San Antonio Director of Recreation has offered ideas and information on games and recreation for this age group.

For the older ones, emphasis will be placed more on individual interests and will result in special event tournaments. It is possible a tourney will be held each Friday such as ping-pong, horse shoes, checkers, etc., so if a youngster is not agile in one activity he or she may do better the next week.

It is possible that a track and field event meet will be held one weekend since this sport is not offered in the school system.

Moseley has offered the Board a lot of workable ideas that should stimulate the program this summer. However, he will need volunteer help to carry out the plan to a successful conclusion. In all probability the program will only be run from 8 to 12 noon this year to avoid afternoon heat.

Those willing to help are requested to get in touch with Moseley at HARRISON 6-3600 or at the High School.

Student Crashes Airplane

A senior solo student from Hondo Air Base, safely crash-landed his T-28 trainer in a cornfield on the Elmer Nietenhoefer place four miles Northeast of Hondo Tuesday afternoon at 4:35.

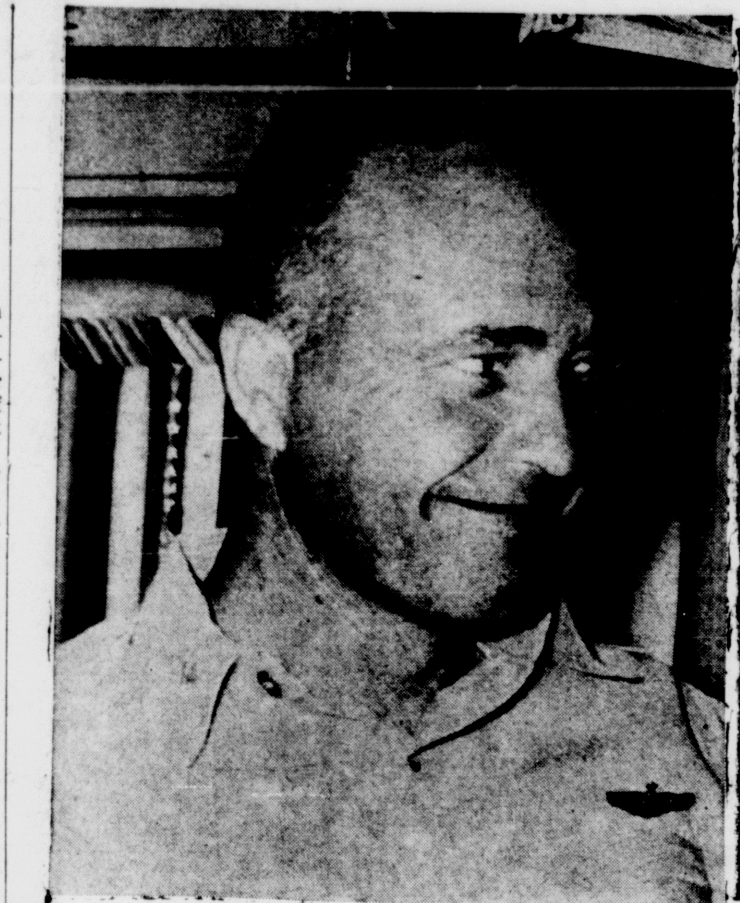

Though the plane was badly damaged, the pilot, 2nd Lt. David B. Clogston, landed and walked away from the plane uninjured. Clogston is in 57-Delta Class and will graduate in June.

The plane crash, caused by internal mechanical failure in the propeller assembly of housing, damaged the propeller, propeller assembly and the plane's underside. There was little damage to the corn crop.

HAB's Safety Engineer, Jack Been, said "Lt. Clogston is to be commended for successfully landing with minimum plane and property damage, and no injury to himself. He did a fine job."

Though the accident damage appears minor, for HAB records it will be considered a major accident because of the man-hours of repair work required before the airplane can fly again.

Lt. Clogston and his wife live at 511½ 20th street, Hondo, and are from Jackson, Mississippi.

LT. COL. GEORGE REINBURG

Lt. Col. George Reinburg has been transferred from Hondo Air Base, and will leave around the first of June, Capt. Harold Maynard, adjutant, announced this week.

New commander of the base will be Lt. Col. John C. O'Donnell, who with his wife and son, will report to Hondo on or about June 10. They will reside at 1407 24th St. in Hondo.

Col. Reinburg reported to Hondo Air Base Oct. 1, 1955, as commander. He and his family, wife Audrey, and children, Jerome and Karen, will leave Hondo around June 1 for a brief visit with relatives in Illinois. Col. Reinburg will then report to Chitose, on the Island of Hokkaido in Japan. His family will join him later.

A veteran of 219 combat missions, Reinburg holds the Air Medal with 15 Oak Leaf Clusters, Distinguished Flying Cross with one Oak Leaf Cluster, Bronze Star Medal, European-African-Middle Eastern Campaign Medal with seven battle stars for participation in the Normandy, Rhineland, North France, Central Europe, Ardennes, air offensive, Europe and Germany campaigns.

Commissioned upon completion of aviation cadet training in 1941, Col. Reinburg was rated a pilot in the Army Air Corps.

In August of 1945, he was returned from overseas and served different state-side bases until 1947, when he was transferred to Department of the Air Force.

From November 1947 to August 1948, he was squadron commander, Turner Air Force Base, Ga. He was then reassigned to the Far East Command as commander, Headquarters Squadron, 18th Fighter Wing and Headquarters Squadron 13th Air Force.

The new overseas assignment will be Reinburg's fourth during his military career.

One of his honors, which very few Air Force men have, came in May of 1951, when he was assigned as an Air Force advisor to the Marine Corps. He returned to the states in December of 1951.

Col. Reinburg is a member of the Presbyterian Church, the Lions Club and is active in Boy Scout work.

The Hondo Lions Club, meeting Wednesday, voted to send 100 to the Lampasas Lions Club help them during their flood fight. Lampasas was flooded Sunday night after a heavy rain.

The Hondo Lions Club has received reports from delegates to the district convention in San Antonio May 12-14. Delegates reported that Neil Mathena of Del Rio was named as the incoming president while A. Lewis Klien of the incoming cabinet secretary for District 2-A. Cyndy, Corpus Christi, and Jack Eagle Pass, were named delegates to the Crippled Children's Camp at Kerrville. Hondo delegates to the convention were Edgar Steigler, Harry Filman, O. J. Bomba, Bill Kelly, Harold Maynard and R. C. Ward.

The Natalia Junior First Aid class, under the direction of Medina County Civil Defense Coordinator, Dan O'Connell, held its last Thursday night session. Twelve persons finished the course and received certificates of their work.

Winnie Braden, secretary of the Hondo Chamber of Commerce, said she had received telephone calls from the American Red Cross early Tuesday morning offering to help Hondo citizens after a story about flooded conditions here reached their office. The Red Cross immediately got in touch with the Chamber of Commerce office and offered their help.

Senior Class Night will be held Tuesday, May 21 at 8 p.m. at the Hondo High School. Everyone is invited to take part in the night's activities, which will be held in the high school auditorium. The purpose of the class will, probably, history and the presentation of the key to the junior president will be held.

R. B. Miller of Bandera led in the Texas Rangers and Texas Highway Patrol to help keep law and order during the "Stompede." And, it was off too because altogether there were 144 arrests made. It was estimated that more than \$500 was paid Bandera County through law violations.

Hondo's Little Leagues will hold a clinic at Lacy Elementary School next week. Anyone wishing to join a Little League should contact: Bob Nations of the Lacy school. Another clinic will be held on the ground and tryouts will be held the first of June.

Parent-Son Banquet held last week. The award was presented for the support Moos has given the chapter through the years.

Any person violating the ordinance can be fined up to \$100.

RECEIVES AWARD — Eugene Moos, left, receives an honorary Chapter Farmer Degree from John McAnelly, Hondo advisor, during the annual

Over Medina County 175 Get Diplomas

Approximately 175 Medina county senior high school graduates will attend baccalaureate services within the next week.

Individual pictures of part of the 175 Medina County graduates appear in this week's issue of the Anvil Herald. The remaining pictures will be in next week's issue of the Herald.

Baccalaureate service times and places are as follows:

Hondo seniors will be honored in baccalaureate services, to be held in the high school auditorium Friday night. The Rev. James William Morgan of Jefferson Methodist Church in San Antonio will deliver the address. He will be assisted in the program by local ministers.

Commencement for Hondo's seniors will be Friday night May 24, with Dr. Walter Meyer presenting the diplomas.

Hondo high school seniors will observe Senior Day on May 21.

Other County Schools

Thirteen LaCoste graduates will be honored in baccalaureate services to be at the high school Sunday, May 19. Father Henry Herbst, now of New Braunfels, and former pastor in LaCoste, will deliver the main address for the occasion.

LaCoste commencement will be Monday, May 20.

In Castroville, graduates of St. Louis High School will attend baccalaureate services at 7:30 Mass Sunday, May 19. Father Lawrence Steubben chaplain of Mt. Erin High School in San Antonio, will deliver the address.

St. Louis commencement exercises will be held later in the week. Holy Cross Church in D'Hanis will be the scene for baccalaureate services for D'Hanis High School graduates, Sunday night, May 20, at 8 p.m.

D'Hanis commencement exercises will be held Thursday night, May 23, at 8:20 p.m. in the high school auditorium.

Council Meeting Recessed

The Hondo City Council, meeting in regular session Thursday night, May 9, passed one ordinance and then recessed until a later date.

Ordinance No. 70, an ordinance prohibiting parking on parts of Ave. M and Ave. K and providing a penalty for violation was passed by the Council before recessing.

The ordinance states that no person shall park a vehicle on the East or West side of Ave. M at a point within 25 feet on the East and 30 feet on the West side South of the right-of-way line of Highway 90. It also states that no person shall park a vehicle within 20 feet South of the right-of-way line of Highway 90 on the West side of Ave. K and from the 20 foot marker for a distance of approximately 118 feet, to an alley behind the Armstrong Hotel, only parallel parking will be allowed.

No vehicles can be parked within 25 feet South of the right-of-way line of Highway 90 on the East side of Ave. K.

The new ordinance was adopted because of the electronic red lights that have been installed at the two intersections.

FLOOD?

Hondo's much-advertised "flood" seems to have been a creation of the big city news machines.

A few facts started off the wild rash of rumors that reached their peak with a spot on NBC-TV news Wednesday evening.

Tuesday night's sudden rain poured water into the low areas of eastern Hondo. It happens every time there is a quick, heavy rain. Every time about a hundred or more people get out of their homes, especially when it occurs at night and the extent of the flooding can not be predicted. They go to the courthouse and wait for the water to go down.

Last Tuesday night Associated Press phoned The Anvil Herald with a question on the "flood." We told them it happened every time a sudden rainstorm came, and that no one was in danger.

Early Tuesday morning we got a call from the San Antonio Light. We again assured them that the water had subsided, and that it was nothing to get excited about. Their story in Wednesday's home edition was (See FLOOD, Page 8)

In Yancey Community

Hail Injures Crops

Wind and rain hit Medina County this week, leaving many farmers with grim faces after seeing damage in their fields.

Hardest hit in Medina County were farmers of the Yancey community, where as much as two inches of rain fell Tuesday night with heavy hail in spotted areas.

According to Mrs. Harrison Wilson, Herald correspondent from the Yancey community, Mr. and Mrs. Tom Duderstadt reported that nine or ten windows in their living room were broken by high winds and hail during the one-hour storm early Tuesday night. Oscar Saathoff, Milton Fohn, George and Roy Wilson, John Faselier and Robert Faselier all reported heavy damage to their crops. Albert Wilson reported some damage but said it was not as bad as others. All of the above persons have homes around Yancey.

More than 150 persons were moved from their homes in Hondo Tuesday night as high waters threatened their homes on the East side of town. The National Guard was called out to help evacuate Hondo citizens to the courthouse before the 1.35 inches of rain reached their houses. Everyone returned to their homes by 11 p.m. and no damage was reported from high waters.

Total rainfall for the week in Hondo has been 2.63 inches, bringing the 1957 total to 15.01, almost one inch more than was received all last year.

Many trees were torn from the ground at Hondo Tuesday night

County Receives Surplus

The Medina County Commissioners Court has purchased an Army surplus portable generator and authorized the Alamo Lumber Co. to build a shed for housing the equipment.

County Judge A. H. Rothe says the new equipment, which cost \$85.95, six per cent of the original cost, will be installed in connection with the Sheriff's Department two-way radio system for emergency use.

The shed, a lean-to building, will be constructed on city property, next to the water tank on 20th St. Three bids were submitted for the work with Alamo Lumber Co. giving the lowest of \$183. Other bids came from the Hondo Lumber Co. and the Medina Valley Mill and Lumber Co. at Castroville.

The Court, meeting in regular session last Monday, set May 28 as the date they will sit as a Board of Equalization. Tax rolls will be received and the equalization board will begin at 10 a.m., lasting until 5 p.m. the same day, Rothe said.

In other business, the group approved an application for use of road machinery on private property of Don Holden, when the machinery is not in use for road repairs.

AB Pool Open To Public

Hondo Air Base swimming pool is now open for the regular season, according to H. R. Burch, manager and supervisor of the pool.

The pool will be open to the public Monday through Friday from 1 to 9 p.m. with the exception of Monday, Wednesday and Friday, when it will be closed from 3:30 to 5 p.m., and Tuesday and Thursday, when it will be closed from 3:30 to 5:30 p.m. The pool will be open from 9 a.m. until 9 p.m. on Saturday and will be closed to the general public on Sunday. Military personnel and Texas Aviation Industries employees will have complete use of the swimming facilities on Sunday from 1 to 7 p.m.

Admission is 25 cents for anyone over eight years of age. Those under eight are admitted free. All children under 12 years of age must be accompanied by an adult.

(See POOL, Page 8)

To Open House May 18

HAB Invites Public

Hondo Air Base extends to the public a cordial invitation to attend open house activities between 9 a.m. and 12 a.m. May 18.

Scheduled activities consist of flyovers at 9:15 by F-100 type aircraft, at 10 by T-33's, at 10:21 by F-84's, at 11:02 by C-130's, at 11:22 by KC-97's, and 11:57 by C-123's. The F-100's will make two passes in their flyover. There will be 10 different types of heavier-than-air craft on display. The National Guard will have equipment on display. Hondo High School Band will present a concert, the VFW, American Legion and Civil Air Patrol will all be represented. Sgt. Lee Rankin from Uvalde USAF Recruiting office, will have an interesting display also.

In conjunction with Armed Forces Day, Hondo Air Base will celebrate the Golden Anniversary of the USAF which traces its origination to 1907. Long before this, however, the War Department realized the military potential of aeronautics and the army had been active in aerial work. During the Civil

Dance Recital Will Benefit Camp Fire Girls

The dance recital of the O'Neill School of Dance will benefit the Hondo Camp Fire girls this year. To be held Wednesday night, May 22, in the Hondo High School auditorium, the program will feature dancers from ages 4 through 12 in tap, ballet and acrobatic numbers.

Admission charge has been set at 30 cents for adults and 15 cents for school age children, all of which will go to Camp Fire for use on their Camp Mary Louise, north of Hondo.

The public is invited to attend.

Leroy Ahr Takes First In Playoffs

Leroy Ahr was declared champion of the marble tournament in LaCoste Saturday, May 11. The tournament was sponsored by the LaCoste VFW.

This gives Leroy the privilege to compete at the district tournament to be held in Del Rio Sunday, May 19.

Other winners included Milton Salzman Jr., second place; and Mario Moreno, third place.

War balloon observations were made for the army of the Potosi, obtaining information of strategic importance. Later artillery fire was directed from an aerial balloon, but until 1907 no heavier-than-air craft had been practical from a military viewpoint.

Texas and Texans have been very prominent in the development of air power, providing ideal weather, terrain, and location for all types of aircrew training as well as many of the World War I and World War II, and Korean War aces.

The growth of the Air Force has not been easy. There have been sacrifices. No American will forget Gen. Billy Mitchell, Charles A. Lindbergh, and the scores of others who have so relentlessly dedicated themselves for the cause they felt was so necessary for the future of the United States.

Therefore Hondo Air Base will celebrate the growth of the army from 68 enlisted men and 6 officers in 1784, the growth of the navy from a few floating ships in 1800, the marines, the oldest organized service of the United States, the development of the Air Force from two airplanes and two pilots in 1909 to the present day strength of all of the Armed Forces of the United States which stand prepared to defend and guard the American way of life against any eventuality.

Hondo Seniors of 1957

HONDO GRADUATES —

From right to left, top row, Butch Woolls, Parker Meyer, Tommy Koch, Diana Herrera, Henry Balzen, Ray Highsmith, Jimmy Leazenby, Wayne Balzen; second row, Emabelle Saathoff, Virginia Clements, Judy Hartmann, Mary C. Dominguez, Dolores Shelton, Connie Schweers, Barbara Brucks, Bobby Taylor; third row, Elena Flores, Janice Lilly, Diane Pope, Adelina Velasquez, Susie Modest, Barbara Haegelin, Martha Dominguez, Clyde Bohmfalk; fourth row, Herby Faseler, Curtis Wiemers, William Reus, Robert Wurzbach, Tommy Zuberbuehler, Alvin Hartman, Albert Vance, Pete Hernandez; fifth row, Jimmy Timmerman, Hasey Eckhart, Juan Ramos, Ruben Alvarado, Raul Garcia, Louie Lasier, Wilbur Grell, Ruben Gallegos; sixth row, Richard Morris, Johnny Windrow, John Henry Batot, Kenneth Grell, Charles Tilley, Richard Moore.

Marvin Koch of San Antonio, visited M&M Ferdie Koch Tuesday.

M&M Adolph Pengenot of San Antonio, spent Tuesday with M&M Alvin Wolff.

Guests of M&M C. M. Gober last week for three days were M&M J. T. Wood of Camp Wood, Friday, Mrs. Gober visited in San Antonio.

M&M W. W. Kellogg left for San Antonio Saturday after attending the Brown reunion. Sunday they will travel to Dallas for a visit with his daughter. They will return home by way of New Orleans, La.

M&M C. M. Gober visited Dr. and Mrs. George Merrim at Uvalde Saturday.

Guests of M&M Frank Jackson over the weekend were their children, Rev. and Mrs. Chester Jackson and daughter, M&M King Watts and son of Charlotte, M&M Curtis Jackson and son of San Antonio.

Visiting in the Ed Nester home Sunday were their children, Dr. and Mrs. A. G. Bradford and family, M&M E. L. Redrick and family of San Antonio, M&M Ivan Nester and family of Dunlay.

M&M Oliver Reinhart Jr. and two children of Carrizo Springs, visited his parents M&M O. J. Reinhart, over the weekend.

Charles Nester of Houston, visited his grandparents, M&M Albert Nester, on Mother's Day.

Mrs. Ed. S. Koch returned home from San Antonio, where she had been staying with her grandchildren while M&M Roy Schweers were at a convention in Brownsville. Sunday M&M Ed Koch were guests of M&M Francis Koch, whose little daughter received her First Holy Communion.

M&M William Rudinger of San Antonio, spent Mother's Day with Mrs. Christina Rudinger.

LaCosie Sets Picnic At Parish

The annual picnic of Our Lady of Grace Parish of LaCosie will be held Sunday, June 2, on the parish grounds, instead of the former picnic ground at Echtle's Park on the Medina River. Echtle's Park used for many years as the site of the annual picnic, was forced to be vacated this year, due largely to the prolonged drought that caused the death of so many of the large pecan trees, making further use of the park hazardous.

Working crews will erect temporary shade on the school grounds and the same good food served for years at the park, consisting of barbecued beef and fryers with all the trimmings, will again highlight the menu. Serving of the meal will begin at 11:30 a.m., and refreshments and various amusements will be held during the day for all. The picnic grounds will open following the 10 a.m. Mass at Our Lady of Grace Church.

JUSTICE COURT

H. L. Howton, one headlight, fined \$5.

Thomas A. Chouiz, no operators license, fined \$10.

Louis Norwood, drunk in a public place, fined \$200.

Amorero Cadena Corraera, no inspection certificate, fined \$5.

D. H. V. Tollesforo, no drivers license, fined \$5.

Juan Coronado, drunk and disturbing the peace, fined \$25.

John Sutsch, speeding, fined \$10.

Juan Orincon, no drivers license, fined \$1.

Raul Rodriguez, speeding, fined \$50.

Raul Rodriguez, no drivers license, fined \$1.

Raymond Duron, drunk in a public place, fined \$5.

Raymond Garcia, minor drinking liquor, fined \$10.

Shorty Flores, drunk and disturbing the peace, fined \$5.

Gerald Norwood, minor drinking liquor, fined \$10.

G. B. Whitehead, speeding, fined \$25.

R. E. Corder Jr., speeding, fined \$5.

Manuel Gonzales, drunk in a public place, fined \$5.

Antonio Constante, drunk in a public place, fined \$100.

Baldomero Ugarte, drunk in a public place, fined \$5.

Martin Hodges, drunk in a public place, fined \$5.

LaCosie News

By Mrs. R. R. Koch

M&M Glenn Keller and sons Glenn Jr. and Terry Wayne of Rio Medina, visited here Thursday evening with Mrs. Reba Keller and sons, Leroy and Emmett.

Mrs. Clarence Stein and Mrs. John Hiesser attended a Home Demonstration Council Meeting at Hondo Monday afternoon.

M&M Fritz Tondre, of the northside, were visitors here Monday morning.

M&M Alex Hitzfelder and family of Natalia, visited in the R. A. Biediger home Monday.

Criminal Docket

James A. Smith, DWI, fined \$100 plus three days in jail.

L. E. Grimes, DWI, fined \$100 plus three days in jail.

Clarence Nicholson, DWI, fined \$100 plus three days in jail.

John P. Hewitt, DWI, fined \$100 plus three days in jail.

Paul Holliday, reckless driving and disturbing the peace, fined \$100.

William Zinsmeister, DWI, fined \$100 plus three days in jail.

James O. Taylor, speeding and driving without lights, fined \$75.

Eylane Sadler, DWI, fined \$100 plus three days in jail.

Jose Zaval, enticing and decoying minor from custody of her father, fined \$150.

Wess Nichols, swindling by worthless check and theft, fined \$5.

Domingo Castillo, DWI, fined \$100 plus three days in jail.

Rudolfo Ramirez, DWI, fined \$300 plus three days in jail.

Juan H. Castillo, DWI, fined \$100 plus three days in jail.

Dunlay News

Mother's Day visitors in the home of M&M Charles Krenmueller Sr. were M&M John Krenmueller and M&M Oscar Bendele of Dunlay; M&M Virgil Krenmueller and Mrs. Alfred Weber of Hondo; M&M Charles Krenmueller Jr. and children, Mrs. Albina Wernette of Bory, and Miss Aldeen Weber and Suzanne Holloway of Hondo.

NEW BABY DEPARTMENT

M&M Joe Conley Jr. are the parents of a baby girl, Deborah Jean, born on May 8. She weighed 8 lbs. 1 oz. Joe was off on a Naval Reserve Cruise and was a very surprised papa when his wife and daughter met him at the airport Saturday as news of the new arrival had not reached him.

Grandparents are M&M Owen Baumgartner of San Antonio and M&M Joe Conley Sr. of Hondo.

Oldest Biry Resident Traces Ancestry Back To 1617 Land Grant

C. C. Godden, who traces his ancestry back to 1617 and a land grant to Sir Samuel Godden, is believed to be the oldest living resident in the Biry community. He has lived there for the past 65 years.

Born in Pine Bluff, Ark. Oct. 7, 1894, Godden served for ten years on the Medina County School Board and was a very active cotton farmer until the boll weevil hit this part of the country, when he turned to raising broom corn.

The son of Charles Conway and Sallie Godden of Little Rock, Ark., his father was a criminal lawyer for the state of Arkansas and was known to have never lost a case — he later, when the present Charles Godden Sr. was a child, went into the min-

istry and was a pioneer of religion in Searcy, Ark. He helped build Galloway College in Searcy (the buildings were razed in 1954).

Godden's father was also a major in the Confederate Army. The 92 year old Biry resident says, while a young man, he worked as secretary to the Secretary of State in Arkansas and later went into the drug business in Birmingham, Ala. with his uncle. He also owned a book store in Little Rock.

Due to ill health, he was advised to move to South Texas' dry climate, where he worked at odd jobs, making as "much as \$12.50 per month." He later purchased a tract of land at Biry and organized the first Sunday School at what was known as

C. C. GODDEN

the Briar Branch School at Biry. He has always been an active member of the First Methodist Church of Devine.

Godden married a childhood sweetheart, Sallie Howell, from Little Rock. Mrs. Godden moved to Texas with her father, one of the first merchants in Devine. She later became an invalid and died Feb. 29, 1920, leaving three young children, who are now Mrs. C. W. Hairrell, Amzi and Charles Godden, all of Biry.

Godden attended Birmingham, Ala. schools and Howard College. His active hobby is reading and Mrs. Hairrell says his health is good, habits always regular and he really "likes his chewing tobacco!"

LETTER TO THE EDITOR

Dear Editor:

Yesterday the Senate passed SJR 1, authorizing a constitutional amendment by which the State would be empowered to invest up to \$100,000,000 over a period of years in the purchase of water storage space, in flood control reservoirs to be built by the federal government and state agencies.

The Senate adopted this resolution 29 to 1 (and the absent member would have voted for it had he not been ill) — an overwhelming majority. It has now gone to the House, where I have asked House leaders to give it immediate action.

This proposal is the second major part of our plan to solve Texas' water problem. The first, already passed by both Houses, would create a revolving fund of \$200,000,000 from which political sub-divisions could obtain loans for building or enlarging dams and reservoirs for water storage.

It is vital that this second part be passed also. We can't solve Texas' water problem with half-

measures. Both of these proposals would give Texas a great deal more water in time of drouth, and also would help prevent the flooding that has cost Texas millions upon millions of dollars in recent weeks.

You, as a citizen and editor, have been interested in efforts to solve Texas' water problem. With your help, the Legislature has advanced the water measures up to the present point.

But we have this one remaining hurdle, and the people of Texas need your help again. I urge you to do everything in your power to prevail on the House to pass this second major piece of legislation. The Legislature is close to adjournment, and time is short. Your prompt action is needed — or again Texas may be "too little and too late" in attacking its most serious problem — the water situation.

Sincerely yours,
George Parkhouse, Chairman
Senate Water Resources Committee.

Land Office Archives Hold Documents

There are that many individual records in the archives of the General Land Office, explains David Reeves, whose job is the care and preservation of those records.

AUSTIN (Spl) — Ten million documents.

"The history of Texas is the story of her land," Reeves says, "and that fascinating story is told in detail by documents in the Land Office archives."

Nearly eight million individual documents in the Land Office have historical significance, Reeves points out.

"For example, we have the muster rolls of the Army of the Republic of Texas and original titles to almost every tract of land in the State, including about 5,000 granted by Spain and Mexico," Reeves says.

The Land Office even has one document that is dated in 1745,

the Land Office records custodian points out.

Also in the archives are original maps of the 38 old land districts of the Republic of Texas and original county maps, including some done by O'Henry when he worked as a draftsman at the Land Office about 1890.

The Land Office also has an original working copy of the Texas Constitution and some papers signed by Nathaniel Hawthorne, celebrated American author, while he was on consular duty in Liverpool, England.

"While all of these documents are available to students of Texas history," Reeves says, "they also serve a more practical purpose, being used daily in administration of Land Office duties."

County Graduates Give Ambitions

HONDO

THOMAS R. ZUBERBUHLER, 17, Hondo, son of Mr. and Mrs. Robert Zuberbuehler. Sports Activities: Football, mgr., 55-56; basketball, 55; baseball mgr., 54. Class Honors: Senior Play. Clubs-Offices: Member St. John's Sodality, Member FFA, Teen Club. Hobbies: Golf, swimming, and dancing. Ambition: Plans to enter St. Mary's University in San Antonio.

JOHN H. BATOT, 17, Hondo, son of Mr. and Mrs. Hugo Batot. Clubs-Offices: FFA, 53-57. Hobbies: Tennis, fishing, and hunting. Ambition: Hopes to own a farm and ranch.

VIRGINIA ANN CLEMENTS, 18, Hondo, daughter of Mr. and Mrs. Robert H. Clements. Class Honors: Soph. Class Favorite, Football Queen, 56; Cheerleader, 56; Best All-Round Senior Girl. Clubs-Offices: FFA, 4 years; FFA Parliamentarian, 53-56; FFA President, 56-57; Band, 4 years Librarian, 56-57. Hobbies: Water skiing, swimming, going to football games. Ambition: Plans to attend Business College in San Antonio.

DOLORES JOY SHELTON, 17, Hondo, daughter of M. S. Shelton. Clubs-Offices: FFA District Reporter, 53-56; Civil Defense Chairman FFA, 56-57; Teen Club Representative, 55-56; Hondo Sweepstake Band, 53-57; FFA, 54-57. Hobbies: Dancing, swimming. Ambition: Plans to attend Baylor University, majoring in Dramatics.

LORA LYNE MODESETT, 18, Hondo, daughter of Mr. and Mrs. G. H. Betherford. Class Honors: Senior Class Favorite, Best Dressed, 57; Cheerleader, 2 years; Band Sweetheart, 57. Air Force Changes Office Hours

The Air Force has changed office hours for Recruiting Service in Hondo and D'Hanis from Tuesday to the first and third Friday of each month. According to T-Sgt Lee R. Rankin, Air Force Recruiting Representative in the Hondo and D'Hanis area, this change was made to make services performed by the Recruiting Service available to the largest number of young men in the community.

Sgt Rankin will be in the Post Office in D'Hanis from 1:30 to 1 p. m. and the Post Office in Hondo from 2:30 until 4:30 p. m.

The Air Force encourages all young men to complete high school and attend college if possible; but for those who are unable to continue their education, Sgt Rankin states that the Air Force offers these men the chance to complete their high school education and acquire up to 60 hours of residence college credits in addition to the travel and technical training opportunities that are available to young men through the Air Force.

Interested young men should contact Sgt Rankin in D'Hanis or Hondo at the above time and date shown.

Hal Jungman Will Head LaCoste FFA

Hal Jungman has been elected president of the LaCoste Future Farmers of America Chapter.

Other officers elected at a May 2 meeting include R. J. Koch, vice-president; Delfino Saucedo, secretary; Allen Zuercher, treasurer; Gary Hutzler, reporter; and C. J. Keller, sentinel.

The newly elected officers will attend the Officers Training School at Utopia May 27-29.

FFA members are planning a three-day fishing trip to Granite Shoals the first week in June. Every member looks forward to this trip as \$5 cash will be given the boy catching the largest fish.

The entire community
is justly proud of you.

4-H Club Council Will Meet Saturday

By Mrs. Estella Strayhorn

The 4-H club council will meet Saturday, May 18, at 10 a. m. in the Natalia School lunchroom. Plans will be made for the summer Rally Day at Camp Cayoca on June 19.

4-H Sunday

The heart in the 4-H club emblem will come in for special attention on 4-H Sunday, or Rural Life Sunday, scheduled for May 26. This observance, on a national basis, first began in 1929. The occasion emphasized the meaning of Christianity in rural life. 4-H members stress the character building side of their organization in their observance of 4-H Sunday.

Texas 4-H members are planning their programs around the theme "Improving Family and Community Living." 4-H members will be responsible for special activities and programs in the churches of their choice.

Milk Is Economy

Milk will give you more food value per dollar than any other food. If you buy all your milk, your food dollar can be stretched even further by using evaporated and non-fat milk in cooking.

It's difficult to have a balanced diet without including milk. Studies show that women especially are not drinking the milk they need each day — neither are their teenage daughters. This may be partly due to the fact that many people think milk is fattening. It isn't. A glass of whole milk has fewer calories than a serving of many other foods. There are only 165 calories in a glass of whole milk, and each ounce is packed with food value. A serving of lean beef has about 300 calories. Two buttered biscuits have about 350 calories and a slice of apple pie contains about 375 calories.

Drink skim milk, if you're to lose a few pounds. It has approximately half the calories of whole milk, but you will still be getting the important minerals, vitamins and protein.

Dress Revue

About 150 garments were judged in the annual dress revue but 115 girls took part in the Revue Saturday afternoon in the Castroville auditorium. Each club selected its own commentators and the girls did an excellent job describing dresses, skirts and blouses their fellow members had made. Taking part in the review were girls from

the clubs in Devine, Natalia, LaCoste, Castroville and D'Hanis. All seats were taken in the auditorium and some were standing in the hall.

A girl must be 14 or older, in the club for three years and take part in the actual public review before she is eligible for sub-district, provided she scores in the blue ribbon class. No first, second or third is chosen but the girls scoring 90 to 100 receive blue ribbons, those 80 to 90, red ribbons and those 70 to 80 white ribbons. Lynette Saathoff of Dunlay will represent the sub-district review.

A share-the-fun contest was held before the district contests but the girls asked to have another just for fun. At the conclusion of the dress show, entertainment was given. Judy Haby introduced a twirling act by Ann Skarda, Ruth Bayer and Barbara Haby. Kathy Richter and Sylvia Green sang "Alice Blue Gown" accompanied by Mrs. Carl Richter. Mrs. Richter also accompanied Peggy Nester as she sang, "Got To Find Somebody To Love." Linda Beck sang, "The Little Brown Bird," accompanied by Mrs. Fox. Kathleen Maney played for Sherry Khan and Judy Whittington as they sang "Open Up Your Heart." The Tumbling Act by Patsy Haass, Patsy Poock, Gaila Stein and Gail Mangold was introduced by Leona Evans and concluded the program.

Dona Marie Fluegge of Natalia modeled a new 4-H uniform.

The Rio Medina and the Castroville Home Demonstration clubs placed green and white flowers and 4-H numerals on the stage.

Here in Hondo

Lt. Col and Mrs. George Reinbold and Capt. and Mrs. Robert Sizemore returned over the weekend from a 10-day vacation in Mexico City.

According to a postcard from Mexico City, Capt. and Mrs. Frederick P. Henry of Hondo are currently visiting there.

Mother's Day visitors in the J. E. Ulbrich home were Dr. and Mrs. Paul Raish and daughters of Arlington. Mrs. Ulbrich returned home with her daughter and family for a week's visit.

Hot Weather Brings Sleeping Sickness Warning To Farmers

With the warmer weather buildup of insects, owners of horses and mules should be alert to the danger of sleeping sickness among these animals, according to a warning issued today by the American Foundation for Animal Health.

To play safe, horses and mules should be vaccinated by a veterinarian well ahead of the peak season for the disease, authorities suggest.

The nation-wide incidence of sleeping sickness in recent years has caused losses in about three-fourths of the United States. The death rate in affected animals runs between 60 and 90 per cent, with the so-called "eastern" type causing more deaths than the "western".

The eastern and western types of virus causing sleeping sickness are quite different. Animals recovering from an attack of one virus do not build up immunity against the other type. Neither will vaccination of an animal against one type protect it against the other. Since the two types are not limited geographically, contrary to what their names suggest, it is best to have animals vaccinated against both types, authorities suggest.

The virus is transmitted by mosquitoes and other insects. The Foundation also warns that this disease can be transmitted to human beings. If horses show signs of depression and lethargy, or of nervousness and excitability, these may indicate onset of the disease and a veterinarian should be called promptly.

Lindy Alan Ahr Honored At Barbecue Sunday

M&M Quintin Ahr, Leroy and Colleen honored their son and brother, Lindy Alan, on his Communion Day, Sunday, May 12, with a barbecue dinner. Lindy was a member of a class of 15 making their Communion at Our Lady of Grace Church at LaCoste. Guests included Mrs. Theresa Biediger, M&M Max Biediger, M&M Julius Ahr, M&M Donald Lathringer and family, M&M George Mann Jr., and family, Mrs. Marlin Naegelin and family, M&M George Jungman and family, M&M Buddy Geisler, M&M Lloyd Trip and daughter, M&M Lloyd Trip and M&M Howard Mangold.

By Mrs. Ida Jungman
(Delayed)

M&M Martin A. Franger of San Antonio, visited with Mrs. Hildagard Franger Saturday evening on the north side.

M&M Hy J. Echtle, of Rt. 9, San Antonio, M&M Bernard Biediger and family of Spindletop and this writer, were visitors in the George Echtle home Sunday evening.

M&M James Iltis and children of Idlewild, visited with M&M Frank Meehler and family, Sunday.

M&M Alex Jungman attended the funeral of Joe Bader in Castroville Saturday.

M&M A. N. Mangold, of Rt. 4, San Antonio, were here for the Haby-Keller wedding Sunday and also attended the reception at Castroville during the day.

M&M William J. Jungman, of Rio Medina, spent Monday with their mother, Mrs. Mary Jungman, and son, Matt.

M&M Alex Jungman of here, and Franklin Mitsch, nephew of Mrs. Jungman, were sight seeing at Medina Lake Saturday afternoon and reported a large number of people there.

Robert Tschirhart and A. I. Kempf, who were on the coast several days, returned by way of LaCoste Sunday and reported a nice weekend of fishing.

Mrs. Elsie Tschirhart of Castroville Rd., and Mrs. Charles R. Bauerlein of near LaCoste, visited friends here Monday.

Mrs. Hildagard Franger, of San Antonio, is spending her vacation with the Frank Meehler family.

Visiting Mrs. Hildagard Franger Sunday were Mrs. Ida Jungman and her nieces.

The Eighth Annual Concert by the St. Marys University ROTC Symphonic Band took place in the Municipal Auditorium last week. Curtis Jungman, grandson of M&M Alex Jungman Sr. of here, is a member of the band.

M&M Jungman and M&M Charles Embry and family of San Antonio, attended the concert.

M&M A. W. Tripp of Macdonia were here for the bingo party at Our Lady of Grace School Sunday night.

Mrs. Pauline Bilhartz and son Aron, of Biry, were at Castroville, for the funeral of Joe A. Bader, Saturday morning. They later visited in LaCoste, with M&M Oscar Kauffman for a short time, and in the afternoon, both the Bilhartzs and Kaufmans attended the funeral of Otto Koenig in Castroville at 3 p. m. Koenig, was well-known here as a resident of our neighboring town of Natalia.

Quite a few neighbors and friends, gathered in the home of M&M Irwin Leosberg, on the Noonan-Pearson Rd., Saturday to observe Leosberg's birthday. M&M Oscar Kauffman of LaCoste, were present to help celebrate and enjoy a lovely evening.

Mrs. Ida Jungman, of here, spent Wednesday with M&M A. N. Mangold on Rt. 4.

Mrs. Adam Hosts LaCoste HD Club

Mrs. Estella Strayhorn, County Home Demonstration Agent, presented a program on nutrition for the family when the LaCoste Home Demonstration Club met in regular session April 30 in the home of Mrs. Hugo Adam.

Twelve members answered roll call. The meeting was opened with a song and the business session following.

The hostess served refreshments. Mrs. Bess Ihnken will host the group in the VFW Hall Tuesday, May 21, at 1:30 p. m.

Services Held May 12 For First Communion

First Holy Communion of the second grade pupils was held on Mother's Day, Sunday May 12. The class, 25 in number, wore white full-length identical gowns; the girls wore white beanies.

This dress symbolizes the purity and innocence of their hearts on this the day when they receive the Holy Eucharist for the very first time. Christene Ducos and Janice Mechler, wearing white dresses and carrying Easter lilies, escorted the class to the altar.

Father Leo Goertz, pastor, officiated at the Mass and preached the children's sermon.

The St. Louis Girls' Choir sang the following hymns: "On This Day", "O Beautiful Mother", "Hail! Holy Queen Enthroned Above", "Jesus, Thou Art Com-

ing", "O Lord, I Am Not Worthy", "Ave Maria Stella". Baccalaureate Services will be held Sunday May 19 in St. Louis Church. Father Lawrence Steuben, Chaplain of Mount Erin High School in San Antonio, will preach the sermon at the 7:30 Mass.

Field Day

High School Field Day was observed Monday, May 6, by picnicking and swimming at Camp Cayoca. The weather was chilly, but the bathers had a most enjoyable time.

Tuesday, the grades had Field Day at Camp Cayoca. Games, hikes and picnic lunches truly made the day memorable for all.

Mother's Day was celebrated with the school children offering Holy Communion for their mothers, then in many homes helping mother with a special dinner, at least by setting the table.

Baseball Game

On Wednesday, May 8, the Starlets had an exciting game with Moye Military Academy. This time Moye Cadets were the winners with a score of 15-5.

Friday morning, St. Louis students saw Walt Disney's "Nature's Secrets of Life" at the Rainbow Theater.

A dance recital by the Rhythmic Dancers of Our Lady of the Lake College was held in the Parish Hall at 7:30 p.m. Friday, May 10. The program was presented by Joanne Lee and assisted by St. Louis Girls' Chorus. Proceeds were for benefit of the Mothers' Club.

LaCoste News

By Mrs. Ida Jungman

M&M Claude Salzman and daughters of here, left early Friday morning for Albuquerque, New Mexico, where they will spend their vacation with his sister and brother-in-law, M&M Tony Pons and baby.

M&M Frank W. Meyer of Atascosa, visited M&M A. H. Ahr here Sunday.

M&M A. N. Mangold of Rt. 4, San Antonio, were Mother's Day dinner guests in the home of their son and family, M&M Clayton H. Mangold and children.

High wind struck our community at 6:30 Monday morning and .70 of an inch of rain fell, bringing creeks up again.

M&M W. R. Flynn, of San Antonio, and M&M William J. Jungman of Rio Medina, were here to greet their Mother and family on Mother's Day.

Mrs. Bru Miller and daughter, Ruthie and sons, Peter and Paul, of Hondo, M&M Martin A. Mechler, Jr. and family of San Antonio, and M&M Leier Mangold were dinner guests in the home of M&M M. A. Mechler Sr., in San Antonio on Mother's Day.

Mrs. Helen Miller, of Hondo, spent Mother's Day in San Antonio, with her daughters and families, Mrs. C. Whitehead and Mrs. Jake Droucourt.

M&M A. N. Mangold and son Clayton and family, M&M N. Mansfield, all of San Antonio, M&M Richard Hampton, and children of College Station, went to Jourdanton to spend Sunday afternoon visiting with Mrs. Frances Wurzback and the A. N. Steinles.

Mrs. Ida Jungman of here, spent the weekend in San Antonio with M&M William J. Engelbrecht and sons and her sisters and families there.

M&M Alex Jungman, Sr. of here, were in San Antonio, Sunday, in the home of their son and family, Alex Jungman Jr. and also attended the First Holy Communion of their granddaughter.

YANCEY NEWS

By Mrs. Harrison Wilson

Mary Margaret Thompson of O'essa is visiting her grandparents, the Jones'.

M&M J. N. Wilson had supper with M&M Lawrence Wilson and family at Somerset Friday night.

M&M P. M. Licklider of Sedalia, Mo., and Mrs. Amanda Ward and David and Dennis Montgomery visited M&M Phillip Nixon, Lee Ward and the Harrison Wilsons Thursday afternoon.

M&M R. J. Thomas and Miss Vi McCaughan of San Antonio, spent Sunday with the Harrison Wilsons.

Mrs. Marie Wiemers and Roy and M&M Doray Wright and family of San Antonio, were guests of the Fielding Wiemers Sunday afternoon.

Guests of M&M S. P. Childress last week were Mrs. Lula Ward, Mrs. Lula Nixon and M&M Joe Burgin of Hondo, M&M Charlie Ward, of Yorktown, M&M P. M. Licklider of Sedalia, Mo., Emmett Berry, Mrs. E. E. Wilson, M&M Russell Franklin and M&M W. B. Melton.

Also M&M Rollin Williams of California, Mrs. Ammie Williams of Junction and M&M Coy Berry and boys of Pearsall.

Guests of M&M Clarence Wiemers Sunday for a barbecue dinner were her father, Jim Allen and children, M&M Clarence Jackel and family of Macdona, and M&M John Sollock and family of San Antonio.

Sunday guests of the G. C. McAnellys were M&M Wayman McAnelly and boys of San Antonio.

Sunday afternoon guests of M&M John Harding were M&M Steve Byrd and Evelyn of Wintehaven and M&M Tim Jones of Moore.

M&M Alfred Boggus and family spent Sunday with his mother and sister, Mrs. J. W. Boggus and Mrs. Hester Lindsey and family of Uvalde.

M&M John Harding spent Saturday in San Antonio.

M&M E. J. Wiemers and Gene went to Houston for the weekend with the G. C. Housworths and brought his sister, Miss Anna Wiemers, home from the hospital, where she had been for the past three weeks.

Weekend guests of Mrs. L. F. Faselers were the Harry Meadows of San Antonio, the Charles Wegners of Austin and the Robert Faselers of Hondo.

Mrs. Faselers went to San Antonio with Mrs. Meadows and Mrs. Wegner Tuesday.

The Vaughans of Bandera, were guests of M&M Tom Duderstadt Sunday.

We had 1.4 inches of rain Sunday night.

Students Presented In Piano Recital

Mrs. Earl Marquart presented 23 of her students in a piano recital Friday night, May 10, in the high school auditorium.

Participating were Kathy Zinsmeyer, Eddie Berger, Margaret Ann Smith, Nelwyn Ward, Penny Strickland, Jan Enloe, Judy Tondre, Kathy Mims, Mary Lou Heyen, Janet Burrell, Nancy Hedge, Susan Mims, Verlyn Wiemers, Gloria Gail Kelly, Margaret Lynn Meyer, Janice Chapman, Sharon Applewhite, Betty Nietenhoefer, Doyleene Enloe, Elvia Cortez, Emilie Beth Nester, Nancy Burch and Peggy Grollmund.

At the conclusion, Mrs. Marquart gave certificates to each of her students who had participated in the recent national piano try-outs in San Antonio. Many of the young pianists ranked high, but Mary Lou Heyen held the highest score for any of the Hondo group this year.

Future Farmers Hold Annual Parent-Son Banquet At Cafeteria

The Hondo FFA Chapter held its 21st Annual Parent and Son Banquet in the high school cafeteria May 9. Hugo Batot and Eugene Moos barbecued mutton served at the banquet.

The banquet program began with an invocation given by Sidney Mercer.

The meal was served cafeteria style with sophomore boys serving the food. The official FFA opening ceremonies by chapter officers was the next order of business. Vice-President Alvin Hartman introduced 1957 FFA members and their guests, after extending all a hearty welcome.

Report on chapter activities of the year was given in a different manner this year. Chapter reporter gave the reports in the manner of a radio news report by calling on a number of specialists to help him in bringing "A Review of Hondo's FFA, 1956-57". His first assistant was Clyde Bohmfalk who gave a report on FFA conventions and the officer training school, next specialist was Richard Moos who reported on livestock shows and the summer fishing trip. He was followed by Henry Balzen who gave a report on farm shop projects and the FFA roadside welcome monument. Wayne Balzen of the publicity department gave a report on radio and television programs presented, and was followed by Robert Wurzbach who made a report on the hybrid milo maize demonstration plot. John Batot presented his report on contests entered and won on district and area levels, and the last report was given by Butch Woolls who reported on the coon hunt and barbecue held on the Koch ranch.

Reporter Johnny Windrow signed off his "Chapter In Review" program at exactly 8:45 p.m., and warned the people to check their watches and bill-folds.

FFA advisor, John McAnelly, presented an honorary Chapter Farmer degree certificate to Eugene Moos for support he has given the chapter through the years. In 1954, Moos accompanied 25 FFA boys and McAnelly on a five day educational summer tour through Texas and Louisiana.

President Clyde Bohmfalk served as toastmaster at the banquet. There were 155 persons present for the banquet.

QUIHI NEWS

By Mrs. Jack Sharp

M&M J. M. House and Mike were Saturday evening visitors in the Jack Sharp home.

M&M Lloyd Lindeburg of Corpus Christi were weekend visitors of Lloyd's parents, M&M Arnold Lindeburg.

Sunday dinner guests of M&M Henry Loessberg were M&M Elmer Nietenhoefer and children, Kenneth, Betty and Dennis, and M&M Clarence Dailey and Danny.

Mrs. James Schulte and sons, Bryan and Gary, and Mrs. Edson Oefinger and children, Diane, Stevie and Clyde, were Thursday afternoon visitors of M&M Fritz Fuos.

Saturday supper guests of M&M Alex J. Tschirhart in San Antonio were M&M Alex Tschirhart and M&M Edson Oefinger and children, Diane, Stevie and Clyde.

M&M Louis Nietenhoefer were Sunday evening visitors of M&M Henry Loessberg.

Patricia Saathoff, was an overnight guest of Loretta Saathoff Wednesday.

Those enjoying a turkey dinner Sunday with M&M Jesse Burger and children were M&M Rolf Saathoff and children, Bruce and Connie, M&M Fritz Fuos, Ernest Saathoff, Mrs. Lizetta Burger, Mrs. Hubert Berger and M&M Alfred Saathoff and daughters, Willie Jean, Dolly and Patricia.

Our rainfall Monday morning was about one and one-half inches. Along with it, a few people sighted a little funnel of a cloud, which dipped down behind the home of M&M Alfred Saathoff moving a few out houses and cutting a swath through an oat patch.

Sunday dinner guests of M&M Franklin Muennink were M&M Alfred Boehle and Carolyn, W. H. Heyen, M&M Frank Muennink, M&M Wilkes Wiemers and children, Doris, Joyce, Judy and Diane. They were joined in the afternoon by Harry Heyen and daughter, Sue, of New Braunfels.

Sunday guests of M&M Jacob Schweers were M&M Louis Roundtree of San Antonio, M&M Charles Schweers, M&M Bill Santleben and daughters, Carolyn and Freda, and M&M Andrew Schweers.

M&M Jack Sharp were Runge and Kenedy visitors Sunday. They were met in Runge for a picnic lunch by M&M J. R. Custer, Mrs. Annie Skipworth, and Mrs. Florence Sharp from Kingsville.

Hondo Takes Title; Lose First Playoff

By George Stewart
Hondo's Owls not only can play football, but also are pretty fair baseball players, coach Bob Nations has decided.

After winning district championship, the Owls are taking a lot of batting practice getting ready for bi-district fights. A win from Carrizo Springs and one from Pearsall set the Owls up in the number one spot of the district.

In baseball, regional is the highest a team can go in this particular class. In batting and fielding practice, the Owls are looking good and, with backing from local fans, can go all the way for another trophy for Hondo High School.

Lose First Game
One setback came Tuesday afternoon when the Owls lost their first of a two-out-of-three series with South San Antonio. Southside came from behind in the final frame to take the victory over Hondo Tuesday afternoon, 5-4.

The game was tied at 3-3 going into the seventh but Hondo rallied for a single run in the top of the inning. Ben Gutierrez singled to open the Card-

inals half of the seventh and Gregory Martinez followed with a walk.

Winning pitcher Antonio Rocha was safe on a Hondo error and Gutierrez scored with Martinez going to third on the play. Martinez scored the winning run moments later on a squeeze bunt by Edmundo Lara.

The games will resume Friday night at 8 in Hondo. Winner of the two-out-of-three series will play for regional championship.

Owls Scalp Carrizo
The Owls took an 18-0 victory from Carrizo Springs Tuesday, May 7, to tie up the district. Thomas Schulte started on the mound but was relieved after the fourth inning by Charles Steigler. Two innings later, Alvin Hartman took over and finished the game. Substitutes were not used because of bad pitching but mainly to give the boys some practice.

Schulte gave up one hit and one base on balls, Steigler two hits, and Hartman faced only three batters, retiring all three, two of which were strike-outs. Steigler struck out three and Schulte struck out seven batters

during the evening. Carrizo Springs runners never passed second base.

Castaneda, Martoguin and Carrillo managed to get the only hits for Carrizo. Hondo failed to score in the sixth and seventh frames.

Hondo 116 460 0-18
Carrizo 000 000 0-0

Owls Beat Out Pearsall
Hartman pitched a two hitter to lead the Owls to the district title Friday when they took a six to five win over Pearsall.

The Owls had only five hits. Hartman got two hits, one of which was a double. Joe Urrutia, Sorrell each had one hit. Cantu and Villareal received the two hits for Pearsall. Seven Owl errors accounted for the runs. Hartman received the win.

In the third inning Pearsall's coach asked to see the ball. Hartman pitched the ball to him. Sidestepping it, two runs scored. The umpire was unable to send the runs back because the play was not discussed in the rule book. In the bottom of the third inning, the Owls were still ahead four to three.

Comets Stand First In League Play; Lose Games In Houston

The St. Louis Comets took batting practice off a pair of St. Anthony pitchers as they batted out 21 hits and 18 runs while the hapless Yellowjackets gathered only two runs from four hits last week.

Coach Leon Tschirhart spread the pitching chores between Francis Lutz, Royce Groff and Espino, and even Steve Haby made a mound appearance in the last inning, striking out all three batters. The win gives the Comets a 6-1 record in league play and leaves them well-entrenched in first place.

Lutz and Steve Haby both had a perfect day at the plate as

Francis got five for five and Steve four for four. Bobby Tschirhart and Gerry Holzhaus both got three hits apiece. Castellio led St. Anthony's with three for four.

Beat Out
The St. Louis Comets journeyed to Houston for the annual Catholic State High School Tournament, last week but couldn't get off the ground. In the first game, Lutz faced St. Thomas of Houston and though he gave up only four hits in six innings, lost the game 4-0.

Espino came on in the sixth and gave up one hit. Meanwhile the Comets found tough going against Chavez who allowed them only two hits and faced 23 men in the seven inning game. Rodney Tschirhart turned in the fielding gem of the game with a running back handed stab. Watkins for St. Thomas was the only hitting star as he collected two homers and a double to drive in most of the St. Thomas runs.

Eliminated by St. Anthony's
Dropping down into the consolation bracket, the Comets played St. Anthony's of Beaumont. Again the Comets had good pitching, this time from Groff, but not enough hitting. Steve Haby opened the game with a triple and Groff followed with a single and the Castroville boys jumped to a two-run lead.

After that, they couldn't regain their batting eye, and St. Anthony's edged ahead to gain the victory and eliminate St. Louis from the tournament.

LaCoste Wins District 57-B Title

The LaCoste Eagles took the District 57-B title this week by turning in a 10-2 victory over Somerset.

A make-up game with Castroville was played at Rio Medina last Tuesday.

The Eagles take on Sabinal at Sabinal in the first of a two-out-of-three series for the bi-district title Friday. Sabinal is a member of District 58-B.

NOTICE OF HEARING ON PETITION

THE STATE OF TEXAS
COUNTY OF MEDINA

TAKE NOTICE that a petition for the creation of MEDINA COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 3 has been set down for hearing before the Commissioners' Court of Medina County in the Courtroom thereof in the Courthouse in the City of Hondo, Texas, at 2:30 o'clock p. m., on the 10 day of June, 1957, in obedience to an order made by the County Judge of said County on the 15 day of May, 1957, which order is as follows:

WHEREAS, on the 14 day of May, 1957, a petition signed by more than fifty persons owning land within the proposed district was presented to me praying for the creation and establishment of Medina County Water Control and Improvement District No. 3 in Medina County, Texas, which petition is in words and figures as follows, to-wit:

PETITION FOR WATER CONTROL AND IMPROVEMENT DISTRICT
THE STATE OF TEXAS
COUNTY OF MEDINA
TO THE HONORABLE COUNTY JUDGE AND COMMISSIONERS' COURT OF MEDINA COUNTY, TEXAS:

Pursuant to Chapter 3A, Title 128, V.A.T.S. 1925, as amended, we, the undersigned, land owners within the boundaries herein-after set forth, hereby respectfully petition your Honorable Body for the organization of a Water Control and Improvement District within the terms and provisions of Section 59 of Article XVI of the Constitution of Texas, and in respect to the organization of such District, respectfully show as follows:

I That the name of the proposed District shall be "MEDINA COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 3".

II That said proposed District contains an area of approximately 253.2 acres, more or less, and lies wholly within the County of Medina, and the State of Texas.

III That the boundaries of said proposed District shall be as follows, to-wit: BEGINNING at the intersection of the East right-of-way line of the Missouri-Pacific Railroad right-of-way with the North line of Block 6 of the Townsite of Natalia, Texas, extended across the old Devine Lytle Road, which point is at the intersection of the aforesaid East right-of-way line of the Missouri-Pacific Railroad right-of-way with the South property line of Walton Street extended in a westerly direction; THENCE, across the old Devine Lytle Road and along the North line of the aforesaid Block 6, S. 49 degrees 46 min. E. 497.28 feet to the West right-of-way line of U. S. Highway 81; THENCE along the West right-of-way line of U. S. Highway 81 to a point on the North property line of Walton Street extended N. 40 degrees 14 min. E. 54.0 feet; THENCE, along the North property line of Walton Street to its intersection with the East property line of Ninth Street, S. 49 degrees 46 min. E. 2686.0 feet; THENCE, along the East property line of Ninth Street to its intersection with the South property line of Aubrey Street, S. 40 degrees 14 min. W. 2854.0 feet; THENCE, along the South property line of Aubrey Street to its intersection with the East property line of Seventh Street,

N. 49 degrees 46 min. W. 752.0 feet;

THENCE, along the East property line of Seventh Street to its intersection with the South property line of Bennett Street, S. 40 degrees 14 min. W. 920.0 feet;

THENCE, along the South property line of Bennett Street to its intersection with the West property line of Third Street N. 49 degrees 46 min. W. 1558.0 feet; THENCE, along the West property line of Third Street, N. 40 degrees 14 min. E. 349.23 feet to a point;

THENCE, N. 34 degrees 08 min. 30 sec. W. 321.90 feet to a point;

THENCE, N. 25 degrees 28 min. 27 sec. W. 72.41 feet to a point;

THENCE, N. 1 degree 48 min. 55 sec. E. 606.0 feet to a point;

THENCE, S. 70 degrees 14 min. W. 192.80 feet to a point;

THENCE, N. 52 degrees 47 min. W. 70.0 feet to a point in the East right-of-way line of the Missouri-Pacific Right-of-way;

THENCE, with the East right-of-way line of the Missouri-Pacific Railroad Right-of-way N. 37 degrees 13 min. E. 1389.92 feet N. 37 degrees 47 min. E. 100.0 feet; N. 39 degrees 10 min. E. 200.0 feet; N. 41 degrees 13 min. E. 200.0 feet; N. 43 degrees 13 min. E. 200.0 feet; N. 45 degrees 17 min. E. 200.0 feet; N. 47 degrees 17 min. E. 200.0 feet; N. 48 degrees 46 min. E. 472.70 feet to the point of beginning.

IV That the area of the proposed District is urban and industrial in nature, but not incorporated under the laws of Texas relating to the creation of cities, towns or villages, and the proposed District has expectancy for net revenues from operation of its Waterworks System, as contemplated by Chapter 32, Acts of the 43rd Legislature enacted at its Third Called Session in 1934, as amended.

V That said proposed District proposes to exercise the powers and functions provided in method 3 of the statute which has been codified as Article 7880-90a.

VI That the number of land owners within the boundaries above set forth is more than fifty (50), and accordingly if same is signed by fifty (50) or more of such land owners.

VII That said proposed District is to be organized under the provisions of Section 59 of Article XVI of the Constitution of Texas, as provided in Chapter 3A, Title 128, V.A.T.S. 1925, as amended.

VIII That the general nature of the work to be done is the construction, installation, maintenance and operation of a Waterworks System. However, this brief statement of the nature of the work to be done is not intended to exclude or prevent the continuance and operation of such additional lawful improvements as occasion may require at some future time.

IX That a necessity exists for the organization of such District, to provide for the construction, installation, maintenance and operation of such Waterworks System, so as to promote and protect the purity and sanitary condition of the State's waters and the public health and welfare of the community.

D'Hanis Ace Hurt

Geronimo Ortega, D'Hanis sophomore and Cowboy outfielder, suffered a fractured collar bone when he fell on a slippery outfield while running after a fly ball during a game at Castroville two weeks ago. Surgery became necessary last week when he made a second trip to a San Antonio hospital.

FLOOD

(Continued From Page One)

conservative, and did not overplay the news.

The Express also called, as did the News. All got the same facts...about 1.35 inches of rain, high wind, but no serious flooding and nobody hurt.

However, radio and television stations took the ball and ran with it.

Thank heaven it just wasn't true.

POOL

(Continued From Page One)

an adult.

Pool Regulations
Regulations of the pool will be strictly enforced this year. They are as follows:

All persons will take a shower with soap before entering the pool.

No person having cold sore or infection will be allowed in the pool.

No spitting or blowing nose allowed in pool.

Children under 12 years of age must be accompanied by an adult.

No running or wrestling allowed on sidewalks.

Diving in permitted areas only.

Only one person at a time allowed on diving board.

All persons will comply with orders of Life Guards.

Swimming permitted only when lifeguard is on duty.

TOO LATE TO CLASSIFY

Effective May 16, the local Western Union office will be open from 7 a.m. to 5 p.m. (11c20)

The Sheriff of Medina County, with copy and affidavit of publication attached on the original notice prior to the date of hearing, (15) days prior to the date of hearing, and the Sheriff of said County shall cause said notice to be published in a newspaper of general circulation in the County once a week for two consecutive weeks, the date of first publication to be at least Twenty (20) days prior to the date of hearing. The Sheriff shall make due return of service thereof

GIVEN PURSUANT to an order of the County Judge of Medina County, Texas, made on the 15 day of May, 1957. Henry Schulte, Clerk of the County Court and Ex-officio Clerk of the Commissioners' Court of Medina County, Texas, by Cornelia M. Koch, deputy. (21c20)

Methodists Seek Funds For Expansion

Hondo's First Methodist Church is seeking funds to build a new Educational Building.

The gain in Sunday School attendance of the church in the past six years has been 95 per cent, Rev. Harold Goodenough, pastor, said.

"At the present rate of growth, the attendance within six to seven years will be approximately 370 people every Sunday," Rev. Goodenough explained.

"Present facilities will not care for any more than those we have now, and does not care for those adequately. During this year, rather than showing a steady growth, Sunday School at three separate times has built up to over 210," Goodenough said. "Everytime it has dropped back down to 190 or less. Apparently this is largely

due to being overcrowded," he added.

Classes are reportedly overcrowded at the present time and church officials predict the overcrowded condition will continue and increase, especially in the nursery and kindergarten classes.

At the present time, the church has no room for additional classes to be formed. Goodenough said that at least two additional adult classes are needed in the near future. Only one of the four adult classes has a private room in the church buildings.

The old parsonage, which is now housing the nursery and kindergarten classes, has served as a dwelling place and Sunday School rooms for more than 50 years.

Just Like Mom and Dad,
We're proud of you, too!

The Hondo Garden Club's highway beautification project has done it again! Last summer the club won recognition from the large District Club organization and just last Friday in San Antonio the state group, Texas Garden Clubs, announced Hondo as a winner of a state award for their outstanding contribution to Texas highway beautification.

Hondo Garden Club members are not a bit modest about bragging on their parks — whenever any two of the 40 members get together that topic is a favorite for conversation. And for good reason! Can you name any town in the state that has prettier road sides in their city limits than Hondo has? We can't.

A long, double block to the east and a single block to the west have been added to the planted area this year. Fortunately for the club, the rains came just after the shrubbery was placed and the new areas have made a beautiful showing in a short time.

MRS. F. D. GARRISON has been chairman of the committee on highway beautification during the past year and she was kidding MAYOR TOM KNOX Monday about his having a new highway "boss", beginning this month, since she has turned over her duties to MRS. SAM LANHAM for the coming year. The city has been most cooperative in helping the club secure leases from the railroad, getting the areas piped for water, supplying water and giving a financial assist now and then.

The public does not realize how much money this project has and is costing the civic club. Every bit of the funds for the club's undertaking comes from the little Thrift Shop on 17th Street where all kinds of second-hand goods are sold. Club members donate most of the articles to be sold but they are always grateful when outsiders turn up with merchandise. For instance, just this week MRS. AMOS HARLEE was inquiring as to where she could leave some articles for which she no longer has a use. If you have things you are not using, contact MRS. TOBY TAYLOR as she is in charge of the store.

The club likes to use all its money on parks and are even getting a reputation for being tight with funds when it comes to parting with money for anything but the park, according to SAM LANHAM. The latest example of this is that when the Texas Garden Clubs met in San Antonio, dues were \$18 per person, consequently no one from Hondo went in to claim the award the club was to receive — the officers were notified to simply mail it out! So it's easy to see that used clothing can turn into blossoming shrubbery. Do you care to help?

PA
Some husbands of garden clubbers in Houston have banned together and are forming a little club of their own, or so the Houston Chronicle says. Their principal objective is to get their wives to do more real gardening and spend less time arranging flowers for flower shows. Few Hondo husbands could have a beef here since the local organization has not had a real flower show with all its staging problems and professional judges in several years.

But anyway, we'll tell you a little more about that new Houston club.

One of the first club rules concerns the gathering of dried weeds for flower arrangements. The men have agreed that no club member shall ever stop the family automobile for such a purpose no matter how loudly his spouse yells. Furthermore, they have unanimously agreed that, should Mrs. Wife come into the possession of a goodly stock of weeds anyway, she must store same a good country mile from the garage workbench.

The men claim, also, that they will advise members that such things as bone meal, blood meal, compost and liquid manure should be applied only between the hours of 9 a.m. and 5 p.m. on weekdays.

When some female speaker tells the wives' club that flower beds should be worked to a depth of 15 inches, they plan to call in a speaker who will say that a mere surface scratching will do.

They will put a ban on flower shows, and the first wife named as staging chairman for such will be put on half budget for one week.

Each member will be given a special quilt for use only when he finds his bathtub filled with soaking flower stems. (For the uninitiated, flowers and branches must soak for some 10 hours prior to being placed on exhibition, and no soaking container is as good as the family tub.)

The club flower will be the hardy ligustrum, and all members will give edging tools to their wives as anniversary gifts.

Art Show Set For Pearsall

The Pearsall Art Group has announced a spring "Out-Of-Side" show for Sunday, May 19, between the hours of 2 p.m. and 6 p.m. on the Court House Lawn. Mrs. James Hilier, president of the group, appointed the following committees for the show:

Newspaper publicity, Miss Amanda Taylor.

Invitation, Mrs. B. K. Nixon; Mrs. John Barkley; Mrs. T. D. O'Connor

Posters: Mrs. Mildred Seranton; Mrs. J. E. Cannon; Mrs. John Schorp

Children Exhibit, Mrs. Eva Farber

Guest Exhibit, Mrs. Carl Dilard

Outstanding guest artists have been invited to exhibit with the Pearsall art group in their spring show. Highlights of display will include pictures done in both water-color and oil medium; ceramic and dresden art; and China painting.

The art group, including enthusiasts of various forms of art, was organized in the fall of 1953 with members and sponsors from Pearsall and surrounding communities. Since that time, it has staged five exhibits in Pearsall. Bowie Moore of San Antonio was the first teacher of the brush and palette artists. Since then, Alice Naylor of San Antonio, Julia Posey of San Marcos, Eva Farber of Pearsall, and Leslie Larson of San Antonio have been added to the group.

A cordial invitation is extended to the public to attend the "Out-Of-Side" Show of the Pearsall Art Group, May 19 between the hours of 2 and 6 p.m.

MONEY AND BANKING

In Everyday Living

EVERYWHERE, U.S.A. Mountains, desert, seashore — these and other vacation areas will each attract its share of the travel-minded American public during the coming summer season. And 'most everywhere people travel, mail travels too; so whatever spot you choose, you can still transact your routine banking business with us just as though you were at home. When you stock up for that trip with lotion, sports clothes, sunglasses, and so on, don't forget to lay in a supply of our banking-by-mail forms.

HOW MUCH INSTANT CREDIT is it sound for a person to use at any one time? In evaluating your own "sound-borrowing potential," you may find it helpful to apply a common-sense yardstick often employed

by others; to wit: It is safe to use for instalment buying a third of one's "discretionary income" — the part of income that's left after all necessary expenses have been met. Thus, a reasonable cash margin remains for contingencies. No one rule, of course, fits all individuals and circumstances. If you can use credit for any worth-while purpose, we'll be glad to discuss an economical bank loan.

OUR BANK'S ASSETS? Our statement of condition lists them — except the most valuable of all: The goodwill of our customers. We recognize its importance, however, and recognize the fact that only by giving top-quality service can we continue to deserve it. Getting top service is an asset for you. Do all your banking with us!

Devine Holds Last PTA Meet Of Year

The last meeting of the Parent Teachers Association for the year was held in the high school cafeteria Thursday, May 2.

Mrs. Harlan Ontjes presented a program made up of talented students from the fourth through the eighth grades.

Mrs. L. C. Martin, as installing officer, installed the following officers for the 1957-58 school year: president, Mrs. George Wilderson; vice-president, Mrs. Eldon Littleton; secretary, Mrs. Worth Thompson; treasurer, Mrs. Glen Stewart; historian, Mrs. James Gardner; parliamentarian, Harlan Ontjes.

More than 60 persons were served refreshments by Mrs. Ruth Allen and the sophomore girls.

The Ladies of the Church of Christ served breakfast for the Seniors Saturday, May 11, beginning at 7 a.m. in the high school cafeteria.

D'HANIS NEWS

By Mrs. Amos Finger

M&M Robert Downey of Smiley, spent last weekend with M&M Lawrence Rothe and family. Little Ellen and Martha returned home with their grandparents for a week's visit. The Rothes went to Smiley for Mother's Day, where their son Greg remained for a visit, while his two sisters returned home with their parents.

A. J. Finger is in San Antonio, where he was admitted to a hospital for medical treatment. Mrs. Finger is in the city with him. The Finger's guests on Mother's Day were M&M Jack Finger and children, Jack, Billy and Judy; Mrs. Joe Keefe, Mike and Linda of San Antonio; and M&M Ferd Rock Jr., Jerry, Patty, Ellen and Ferd John of Hondo.

M&M Curtis Long of Houston, announce the birth in that city of an infant daughter, Donna Raye, on May 12, 1957. Mrs. William Lutz, maternal grandmother, was in Houston to welcome the new baby.

M&M J. A. Van Fleet visited in San Antonio Sunday with M&M L. E. Alford and family.

M&M F. M. Carle and family and Jimmy Finger of San Antonio, visited in the home of Reilly Carle and Bernice Finger and family Sunday.

M&M Walter Croke of Austin, visited M&M Eitel Kuehre and family Sunday.

M&M Jim Poppin and children of San Antonio, M&M A. H. Braden, M&M G. O. Braden, and daughter of Hondo, and M&M F. B. Surovik of D'Hanis, were Mother's Day visitors in the A. L. Braden home.

M&M O. J. Wheat and son of Uvalde were guests of Mrs. E. L. Brod Sunday.

M&M Pat Risinger and children of San Antonio, were weekend guests of M&M Tom Finger and Mollie.

Dinner guests of M&M Joe J. Rieber and family Sunday were Mrs. Daisy Rieber and M&M Ben Hodges and their three daughters of San Antonio.

M&M Andrew Schneider and family were supper guests of his parents, M&M Martin Schneider at Castroville Sunday.

M&M John J. Nester and children spent Sunday evening with M&M Martin Schaw at Knippa. Justin Pest and Joe Mueller made a trip to Ft. Stockton last Thursday and Friday.

M&M A. K. Harris and two sons Wayne and Tommy of San Antonio, M&M Harry Mueller of Hondo visited with M&M Paul Reinhart and Lena Mother's Day.

Mrs. Fred Britz and her mother, Mrs. Mary Moore, were in San Antonio for the weekend with the Fred Britz Jr.'s. Saturday they attended the wedding of Mrs. Moore's granddaughter, Miss Jancie Dell Jones. Mrs. Moore went home with her daughter, Mrs. H. L. Schubert of Columbus, where she will remain several weeks.

M&M B. P. Duffin, Darlene and Larry of San Antonio, visited Mrs. Duffin's mother, Mrs. Millie Grimsinger, on Mother's Day.

M&M John Zinsmeyer visited M&M Harry Macey and daughter Betty Ann in Dallas during the weekend.

M&M Pat McGrow and son Patrick and baby Donna Louise, spent Sunday with her aunt, Mrs. Donna Roberts and grandfather, J. B. Roberts of Uvalde.

D. Leinweber Cheerleader At College

SAN MARCOS, (Spi) —Dorothy Leinweber of Hondo, was recently elected cheerleader at Southwest Texas State College in San Marcos during the all-college spring elections.

She will serve with two other girls during the 1957-58 school year.

Miss Leinweber is a sophomore home economics major at the College. She is the daughter of Mr. and Mrs. F. J. Leinweber of Hondo.

the TRUE STORY about an industry

THIS is the first in a series of messages which will bring you the story of the Brewing Industry in Texas. There are many parts of that story. These messages will be an effort to present the facts about an industry that plays an important part in the Texas scene, and which has been part of man's life since the first recorded history.

To sum up, here is a quotation from a brochure on the Self Regulation program of the United States Brewers Foundation Inc.:

"The Foundation is dedicated to the belief that the legal sale of beer and ale, under wholesome conditions, is a definite contribution to society and is in the public interest.

The purpose of the United States Brewers Foundation, whose members produce the nation's malt beverage output, is to help maintain sound conditions in every place where beer is sold. This necessarily means close cooperation with law enforcement authorities, with brewers, wholesalers, retailers and the general public."

World experience has shown that where the consumption of beer has been recognized as socially acceptable, mod-

eration has been the rule. Temperance and moderation lie behind every minute of work by the Foundation, and this work is done with the brewer, wholesaler, retailer, and also with you, the public.

The futility of prohibition has been shown once in this country's history. The success of moderation has been shown through history. The Foundation's aim is to work toward the end that moderation shall be accepted by everyone. Such work comes under our Self Regulation Program.

The Texas Division of the United States Brewers Foundation will also bring you the story of the importance of the Brewing Industry to Texas. And, the messages in the weeks to come will highlight the part beer plays in your daily life.

Seco Philosopher Willing To Risk Monotony Of Same Price For Calves

Editor's note: The Seco Philosopher on his Johnson grass farm discusses the cattle business this week, a subject he's as much an authority on as he is the international situation, if you follow us.

Dear editor:
I didn't have anything to do the other afternoon, or rather I had plenty to do but wasn't interested, and went into town to sort of break the monotony and while I was there I borrowed a newspaper off the cafe counter and the first thing that caught my eye was an article about a proposal an agricultural expert has for stabilizing, as he calls it, the cattle business.

According to him, if the oil industry can prorate oil production, which as I understand it means control the amount of oil anybody with an oil well can take out in any one month, and thus maintain the price of oil at around \$3 a barrel, then farmers and ranchers can prorate the cattle business, control the number of calves being raised, and hold the price of a steer at 33 cents a pound.

However, he went on, this

might get awfully monotonous, selling cattle at 33 cents a pound year after year, and might detract from the present system whereby a man doesn't know when a calf is born what it'll be worth at selling time. He said it might take the adventure out of cattle raising.

Well, now, I'll tell you, getting 33 cents a pound for a steer might get monotonous to some people, but as far as I'm concerned it ain't near as monotonous as getting 15 cents one year, 12 the next, 18 the next, etc.

To some people, raising a calf to market age may be an adventure, but as far as I'm concerned the adventure comes after you sell him for a profit and start figuring what you'll do with the money.

I know from experience that there's a certain amount of adventure in raising cattle, even scrub cows, in looking after them, watching the calves grow while you sit in the shade and speculate, figuring when it's time to load em up and head for market, but the big adventure comes when you get your check, and one of the most monotonous things on earth is getting one smaller than you figured.

If this fellow can figure out how to guarantee me a price of 33 cents a pound for calves, year after year, tell him to go ahead, I'll bear up under the monotony of it.

Yours faithfully,
J.A.

D'Hanis FFA Represents Area Seven

A team from the D'Hanis FFA Chapter represented Area VII at the State Land Judging contest held in Stephenville Saturday, April 27.

Team members were John Rodriguez, Roman Garcia, Tommy Fillinger, Floyd Lutz and advisor, Wayne Cheney.

D'Hanis was not in the top five teams that will go to the National Land Judging contest to be held at Oklahoma City.

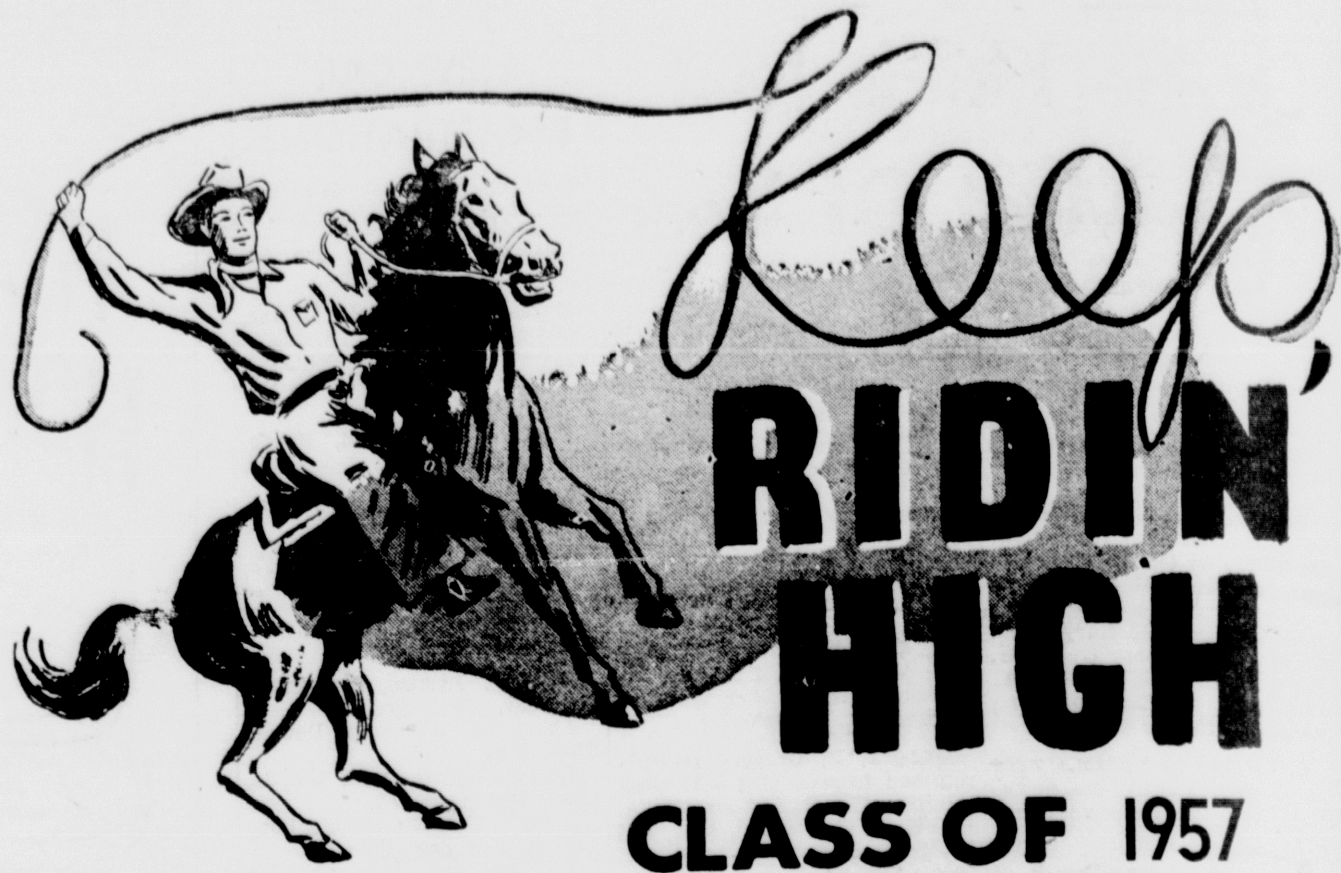

The D'Hanis team qualified to enter the State contest by winning first place at the Revaldina District contest held at Barksdale, and another first place at the Area VII land judging contest held at San Marcos. They are also winners of the Medina Valley Soil Conservation District Soil Judging contest, held at Hondo April 17.

Castro Children Raise Money For School Outing

Elaine Heermans, Maryland Mathis and Gail Mangold, assisted by Larry Paddock and Jean Flournoy, held a 30 minute bake sale, Saturday, May 3, beginning at 8:30 a.m.

The sale added \$4.35 to picnic funds, now being raised for the grand day of fun for Seventh graders of the school.

The school closing outing will be held at Friendly Valley picnic grounds.

LOOK! Boldly modern styling!
LOOK again! Deep-down modern, too!

NEW Styleside pickups—standard at no extra cost. America's biggest, smartest pickup bodies! And Ford's boldly modern styling is just a hint of how deep-down modern these new '57 trucks are. All-new cabs, with modern features found on no other trucks! All-new riding ease! New higher power, V-8 or Six! New advances throughout the modern chassis!

NEW FORD TRUCKS for '57

NEW Ford Ranchero! More than a car, more than a truck—it's a completely new kind of vehicle! A real pack horse, the Ranchero handles more than half a ton. A show pony, too—it rides and handles like a fine car! Cab interior is exactly the same as the '57 Ford Ranch Wagon. See the '57 Ford trucks today!

NEW Styleside bodies! America's biggest, smartest pickup bodies—standard at no extra cost! Modern fenderless design makes side-loading far easier.

NEW Drivetrain! Completely new—most roomiest, strongest, most dust- and draft-free yet! New wider full-wrap windshield, new inboard step, new Hi-Dri ventilation!

NEW riding ease! Completely new suspension! New longer, rubber-cushioned springs on Styleside half-tonners. Ranchero (left) features ball-joint front suspension—the first time on any pickup truck!

NEW power advances! New higher horsepower, higher compression. Only Ford gives you modern Short Stroke design in both V-8 and Six!

FORD TRUCKS COST LESS

F.P.A.P. LESS TO OWN . . . LESS TO RUN . . . LAST LONGER, TOO!

Two Attend Convention From Castro

The St. Louis FHA Chapter of St. Louis School, Castroville, entertained the Mothers Club with a style show during the monthly meeting which was held the last week of April. Each girl modeled a garment she made in clothing class.

There were reports made to other members on their return home as to what the meeting contained and how much knowledge they carried home from Dallas. Reports they gave in the meeting about the flooded conditions of the big city made the representatives feel more than ever the necessity of knowing just what to do in disastrous times.

The trip was made with the Chapter from Our Lady of the Lake High School and their sponsor, Sister Adeline Clare. Mrs. Doerffler, mother of the sponsor from San Antonio, furnished the car for transportation over this kind move and appreciate. The delegates were very happy to see Mrs. Doerffler, who is the Marian Chapter Mother. It made it convenient to go sight seeing during the free periods.

Pictures of the overflooded streets and creeks will be shown during the next FHA meeting. Also during the May meeting, election of officers for the fall term is being planned.

The last activity for this year will be another lecture and film course which Dr. Fay Wurzbach will give on Health and First Aid.

Home Economics Class Entertains Mothers With Show

The home economics class of St. Louis School, Castroville, entertained the Mothers Club with a style show during the monthly meeting which was held the last week of April. Each girl modeled a garment she made in clothing class.

In the tiny tots division, any member wishing to enter another garment could do so for the "little sister or niece" show off. It was very interesting to see these various styles and their Mothers appreciated the daughter's accomplishments.

The stage and ramp was a studied layout which the committee in charge spent time in bringing out every detail to have the "flower girls" walk in on the scene of a flower bed. Mrs. Fox, furnished appropriate music during the show.

One of the most appreciative mothers was Mrs. Lutz, who proudly walked her way into the garden modeling a garment which Kathleen, her daughter, had made for her.

Judges for the event were local friends, who are not connected with school children in any particular way. They were Mrs. Marjorie Schott, Mrs. Dorothy Boehme and Mrs. Dorothy Suehs.

Patsy Keller was awarded first prize; Mary Estelle Schott, second of the "teenage division"; the tiny tots prize went to Kathleen Lutz, who made an Easter ensemble for her niece, Ora Lee Wilson. Miss Wilson modeled her frock with all assurance that her garment was just her type. The children's division ranged in ages from two to six years.

The home economics teacher has plans for a more extensive review next fall. This was an opportunity to have the mothers realize that the class is happy and appreciates the efforts that the Mothers Club is making to furnish equipment for the home economics department.

At the close of the evening's show, the president of the FHA

Guy Holzhaus In Army Maneuver

FORT POLK, LA. — Special-ist Third Class Guy A. Holzhaus, son of Mr. and Mrs. C. J. Holzhaus, Castroville, is participating in "Exercise Sledge Hammer" with the 1st Armored Division at a maneuver area near Fort Polk, La.

The maneuver, which is scheduled to end May 24, is designed to test the combat readiness of the newly-formed "Pentomic" division.

Specialist Holzhaus, a radio mechanic in Company C of the division's 38th Infantry, entered the Army in August 1955 and received basic training at Fort Ord, Calif.

He was graduated from St. Louis High School in 1955. His wife, Shirley, is now living in De Ridder, La.

Eleven Register With Draft Board

Eleven Medina County men have registered with the draft board at Pearsall.

They included Frank Ortega, Armando Lopez, George A. Tovar and Joseph O. Batto of D-Hanis; Herbert L. Faseler and Jose L. Dominguez, Hondo; Sidney L. Pierce and Juan A. Rodriguez of Devine; Billy I. Pritchard and Merijildo Ochoa of Natalia; and Cleofas T. Salas of LaCoste.

KILGORE'S CAPITOL COMMENT

By Joe Kilgore

THIS WEEK we will get back on the budget problem in the House. The Agriculture Department Appropriations Bill comes before us with the Appropriations Committee having cut \$272,556,860 from the President's budget request in this field. Even with that much cut out the remaining appropriations would still top last year's spending for this department.

THE PRESIDENT has made some interesting moves on the budget. He has indicated a reduction in his foreign aid request of one half billion dollars from \$4.4 billion to \$3.9 billion. He has also indicated that he will go directly to the people to defend his budget. Still, my obligation to the people, whose money is being spent, requires that I continue to do all I can to reduce the budget wherever feasible if compatible with sound economy and national security.

TO PAY OFF THE NATIONAL debt in one year would take almost the entire income of everyone in the nation. The per capita debt stands at \$1,613.38 while the nation's per capita income is only \$1,935.

SOUTH TEXAS produces good quality cotton and there is usually a firm demand for it. Since it is the first cotton produced in the nation each year it tests the cotton market. The loan program for cotton does not go into effect until after August 1 each year by which time a large part of the lower Valley crop is ginned and on the market. Only by using a rather cumbersome temporary loan program can the farmer hold his cotton and wait for the announcement of the permanent loan program.

In an effort to put our cotton producers on an equal footing with the remainder of the cotton producing areas I had introduced HR 2461 which would let the Department of Agriculture set the parity price on cotton as of June 1 each year instead of August 1. The loan program would then be in operation when Valley cotton came on the market. I had hoped this would do several things. Affording a firm market it would tend to put our higher grade cotton into the trade instead of the loan. If it did go into the Commodity Credit Corporation loan program the farmer would avoid the extra cost of the temporary loan program. Since there would be less downward pressure on the cotton market than by our marketing ahead of the loan program, the nation's cotton market should be firmer.

Last fall, an Agricultural Marketing Service spokesman here in Washington told a group of visiting Valley cotton men that that service would recommend such a bill to the full Department of Agriculture so that the Valley could be treated equally. They told me the same thing in the House Committee on Agriculture on this bill, the Department was against it. I will try to pass it anyway, but it will be difficult.

Agent's Column

Native Grass Tested Throughout The State

By C. B. Gaston

Greatly improved native grasses developed by the Texas Agricultural Experiment Station are now being tested throughout the state. In the past, many promising grasses have failed to withstand the ravages of drought satisfactorily or to respond properly under necessary range management practices.

Extension Range Specialist A. H. Walker says stock farmers not only need drought resistant pastures, but also must have grasses capable of setting good seed, producing plenty of leaves, and establishing themselves quickly. Over 200 varieties of sideoats grama are now being tested and one or more varieties might be highly adapted to Medina County conditions. The county agent has been working with the D'Hanis 4-H Club boys in planting one of these grass plots two miles east of D'Hanis on Highway 90. In this plot 19 different varieties are being planted to determine which would be the ones that should be increased for local plantings on old fields or denuded rangelands.

Hybrid Corn Plots

Recently, three demonstrators planted test plots of hybrid corn, hybrid grain sorghum, and forage sorghums for production tests. The results of these tests will help in answering the question of many people about which varieties are best adapted in this county. These test plots are located at the following places:

Joe Martin, two miles west of Hondo on Highway 90; Douglas Riff, near New Fountain; Hugo

Wurzbach, between Castroville and Rio Medina. Test plots of the DeKalb hybrid grain sorghums have been planted by Glenn Gooding and Bradley Bailey, both of the Hondo area.

Chemical Control

There has been considerable publicity about using a chemical for the control of Johnson grass in cotton. The poison used is dalapon and is recommended for use on cotton that has some spots of this grass that give trouble. The Dow Chemical Company has offered sample quantities of their product "Dowpon" for spot treating demonstrations. Any cotton grower interested in trying this product should let me know right away and the material will be ordered.

Production test plots of sudan grasses have been planted by C. F. Schweers and Clyde Bohm-falk. The varieties planted are common sudan, sweet sudan, perennial sudan, and sorghum alum. Checks will be made on these grasses this year to determine which looks the most promising in this area.

Annual Flowers Sown Late Take Less Time to Bloom

Early summer is not too late to sow flower seeds in the garden. By choosing varieties which germinate quickly and grow fast, flowers may be had almost as soon as from seeds sown much earlier, which may have been delayed by cold weather.

For best results seeds should be sown where the plants are to grow, so they will suffer no setback from transplanting. Since hot, dry days may soon arrive, special precautions should be taken to prevent crusting of the soil, and drying out. Loosen the soil to a depth of six inches, spading under 2 to 4 pounds of plant food for each 100 square feet. Mix small seeds with dry sand to help scatter them well. Large seeds of plants which need plenty of room may be sown two or three seeds in each spot where a plant is wanted, to be thinned out later to a single plant.

Cover the seeds lightly, with porous soil containing no clay. A special covering soil may be prepared by mixing fine top soil or peat with an equal amount of sand or vermiculite. Keep the soil moist by sprinkling with a fine spray until the seeds germinate and the plants begin to grow well.

Annual flowers which germinate within five to ten days after sowing include the following:

Sweet Alyssum, Amaranthus, Aster, Calendula, Calliopsis, Candy-tuft, Celosia, Centaurea, Cheiranthus, Cosmos, Dianthus, California Poppy, Godetia, Linaria, Lobelia, Lupinus, Marigolds, Nicotiana (flowering tobacco), Annual Phlox, Portulaca, Mignonette, Schizanthus, Viola, Zinnia, Nasturtium.

The fastest growing annual is leptosyne Stillmanii, producing yellow daisies, which flowers in five weeks from the time seed is sown. In two more weeks zinnias will begin to bloom. The slowest growers of the quick germinating group are

Fantasy Zinnias.

asters and calendula; but these will begin to flower in late August, and continue through the fall, when cool weather is to their liking, and they produce their best flowers.

Giant zinnias are still most popular; with the super-giant strain leading because of the pastel colors of its blossoms. It is only obtainable in a mixture, but all the colors are harmonious, and they are lovely both as cut flowers and in the border. The small, bushy plants of the lilliput and pumila zinnias are growing rapidly in favor. There are pink, red, orange, yellow and lavender varieties.

Marigolds may be obtained in sizes varying from the tiny single flowers, half an inch in diameter, which cover the dwarf bushy plant of the variety gnome, to the huge six-inch globular flowers of the Sun set Giants variety.

LaCoste News

By Mrs. Ida Jungman

M&M Lee Henze are the proud parents of a new arrival born May 5, 1957 in an Amarillo hospital. The little lady is welcomed by a sister and two brothers. Grandparents are M&M A. E. Salzman, and M&M L. Henze of San Antonio.

Hartford "Damage Suit" Insurance Saved Us

\$750!

A true story based on an actual case

While my wife was in the hospital a kindly neighbor offered to take care of our 18-month baby. That was fine — but while in our house she fell down the dimly lit stairs and injured her back! Her "damages" came to \$750 and were paid on my behalf by the Hartford.

If someone is injured on your premises you may be faced with the expense of defending against a law suit and perhaps paying out damages. That's why the sensible thing to do is to have adequate liability protection!

Fish Available For Tanks

The long-dry tanks and ponds of Texas farms and ranches — most of which are now filled with water from recent rains — can be restocked with game fish — Senators Ralph Yarborough and Lyndon Johnson have announced.

The two Texas senators said they had been informed by the U. S. Fish and Wildlife Service that "fish for restocking are available and orders can be filled without delay."

This is the procedure for securing fish, as outlined to the Texas senators by the Fish and Wildlife Service:

1. The land owner makes application for the fish from the federal fish hatchery nearest him. There are five federal hatcheries in Texas, at Austin, Fort Worth, San Marcos, Burnet and Uvalde.
2. The application is sent by the hatchery to a regional office at Albuquerque, N. M., for processing.
3. Upon application approval, the fish are delivered.

Adolph Ihnken was a Castroville visitor Friday.

ABOUT YOUR HEALTH

A weekly public service feature from the Texas State Department of Health
HENRY A. HOLLE, M.D., Commissioner

AUSTIN — With the signing into law of House Bill 434 early this month, the Texas State Department of Health became the official planning agency for the administration of urban renewal advance planning funds to cities under 25,000 population in Texas.

The law permits the State Department of Health to arrange for planning assistance for these municipalities and to arrange for planning advances and grants from the Housing and Home Finance Agency under the provisions of the Federal Housing Act of 1954 or from other sources.

The planning and allocation of funds is the first step in improvement of health, social and economic standards of thousands of Texas citizens through urban renewal.

The urban renewal program of assistance, authorized in the Housing Act of 1954, carries out the recommendations of President Eisenhower for broadscale clearance and prevention of slums and blight and for improving and conserving good neighborhoods.

These special aids can be, and are being applied to the problems of communities of any size, from small towns in rural areas to the largest metropolitan centers. Larger cities may go ahead on their own.

Scarcely a Texas community has not felt the scourge of slums. Slums have spread so far, their costs have become so great, that they are now a problem of national dimensions and concern.

Slums are the final product of a continuing process of decay that, in various stages, affects a large part of the community and threatens all of it — decay that comes largely from civic neglect and inaction.

A national study found that blighted areas were forming faster than old ones were being

M&M Elmer Biediger and Sheila visited with M&M Hugo Naegelin and Francis Sunday evening.

M&M Eugene Jungman and family visited with M&M Louie Mehr Sunday night.

Mrs. J. D. Schweers made a brief visit to her mother, Mrs. Lina Fuos, at upper Quilhi Sunday afternoon. Heavy clouds and drizzle reminded her to hurry home as there are too many creeks to cross.

M&M Sam Tschirhart visited Sunday evening with M&M J. D. Schweers.

A down pour of over one inch hit the Settlement early Monday morning with strong winds but no damage was reported.

NAVY RECREATION — Sea-

man Recruit Frances Ann Goff, daughter of Mrs. Alma M. Goff, Hondo, takes advantage of recreation facilities offered at the Recruit Training Command, United States Naval Training Center, Bainbridge, Maryland.

Miss Goff is currently under a nine week indoctrination training period at the Maryland Center.

Mrs. Bendele was hostess to the club.

Biry Residents To Attend Clothing Course

Mrs. Paul Bendele and Mrs. Rihn of Biry, were elected delegates to a clothing workshop, during a meeting of the Biry Home Demonstration Club recently.

The meeting opened with the group singing "Home On The Range" and Mrs. Estella Strayhorn, Medina County Home Demonstration Agent, presented a demonstration on the one-step method of canning and freezing beans.

Mrs. Bendele was hostess to the club.

Graduation -- A Milestone In Life

by JERRY JUNE BERGER

As they march across stages receiving their diplomas and a congratulatory handshake from school dignitaries this week, approximately 165 young men and women in Medina County are passing a milestone in their lives.

For twelve years they have worked toward this end, but with their efforts have been many joyous activities and care-free days. From now on they must buckle down and make plans for the future.

A large proportion of our county graduates of the Class of '57 have named their ultimate goal in this issue of the Anvil Herald. They vary all the way from "getting married" to professions such as law or medicine which may take seven or eight more years of concentrated study.

Making up their mind may be a

problem for some, for the more serious realize that their entire future lives will be based on the occupations they choose now or within the next few months.

For the boys, it is a little more complicated, as they are faced with that ever-present prospect of compulsory military training. A minority have decided to go right on into the armed forces and get it over with while the majority are planning to get in a few years of college or work before they are required to serve. This isn't an easy decision to make either.

We feel for these kids — both boys and girls — and believe that every citizen in Medina County will join us in hoping that the decisions they make at this stage in their lives will prove to be happy ones.

Welcome to adulthood, Seniors!

THE BUZZ SAW!

RELIEF A POSSIBILITY!

Today the ambitious American climbing the traditional ladder toward greater financial rewards, finds his earnings drastically cut by a system of federal taxation which puts a penalty on success. Our high tax rates take \$9 out of \$10 in the highest individual bracket.

The possibility of some needed relief is seen in the bill introduced by a Connecticut Congressman, A. N. Sadlak, which would reduce individual and corporate income taxes to a maximum of 42%, by annual reductions made over a period of 5 years.

Individual income tax on the first \$2,000 of net income, paid by all taxpayers, would drop from the present 20% to 15%.

Public hearings, looking toward quick Congressional action on the Sadlak bill, should not be delayed!

This Week --In Washington

By Clifton Davidson

Agriculture Secretary Ezra Taft Benson is getting ready to ask Congress to kill mandatory farm price supports. He expects that President Eisenhower will back up his request.

This Congress wouldn't touch such a request with a ten-foot pole, and Benson knows that. What he intends to do is strike the first blow in the brewing fight scheduled for next year over farm programs and policies.

Benson said in an interview that he plans to make his request to the Senate Agriculture Committee before the end of this session of Congress. Chairman Allen Ellender said his committee will "not be receptive" to such a suggestion.

Farm leaders in Congress already have begun laying the groundwork for a thorough-going "review and revision" of farm programs next year, just ahead of the election contests for control of the next Congress.

Their plan, unless there is a sudden and dramatic improvement in farm prices and income in the next 12 months, is to attack the Benson flexible price program and place supporters of it on the defensive.

It was Benson, with White House backing, that put the flexible price program through the Republican-controlled Congress in 1954. It was the same combination that blocked a return to rigid supports in 1956. Farm price supporters still are one of the most explosive issues in Washington.

The flexible price support law has, so far, been a one-way street — a downhill street so far as support levels are concerned. It says, simply, that when supplies go up supports must go down.

But there also is a provision in the law which says that when supplies go down supports must go up. It is this provision which Benson wants taken out. He argues that when supports go up farmers will be encouraged to produce enough to cause new surpluses.

The law also says that when surpluses decrease the Secretary of Agriculture must increase acreage allotments. Benson wants that changed, too.

"The farm law is so written that it could automatically result in a return to excessive production, new surpluses and then lower price supports," Benson said. "The result would be to cause farm prices to go up and down like a yo-yo."

The basic crops — corn, cotton, wheat, rice, tobacco and peanuts — must now be supported at not less than 75 per cent nor more than 90 per cent of parity. On some others the support floor is 65 per cent of parity and on others there is no minimum.

What Benson wants from Congress is authority to set price supports at whatever level he thinks is necessary to keep production in balance with demand at prices he considers reasonable to both producers and consumers. That might be anywhere from zero to 100 per cent or more of parity.

Benson's objective, however, runs directly contrary to that of the Democratic majority in Congress. They will be trying next year to pass legislation restoring mandatory 90 per cent of parity minimum supports for the basic crops, and to muster enough votes to override a probable veto.

What you will be seeing the remainder of this year is maneuvering by both sides on the support issue to gain advantages for the show-down battle next year. It is a part of the great game called politics.

Denis Zinsmeyer Completing First Phase In USAF

Airman Denis N. Zinsmeyer, 19, son of Frank J. Zinsmeyer, Mico, is completing the first phase of his basic military training at the "Gateway to the Air Force," Lackland Air Force Base, San Antonio.

Upon completion of this training, he will be assigned to an Air Force technical training course or an advanced basic training course leading to a specialized Air Force job.

While at Lackland, the new enlistee undergoes the transition from civilian to airman through a program which includes processing, aptitude testing, physical conditioning, survival and weapons training, and classroom studies ranging from citizenship to military customs and courtesies.

Here In Hondo

Mrs. Joe Cockrell and daughter, Phyllis of Austin, spent Mothers' Day with the Theo Camerons.

M&M J. T. Cole of Gainesville, visited with their son and daughter-in-law, M&M Ralph Cole, during the weekend. The group, with Jack Moore of Fort Worth, drove to Mexico Sunday.

AUSTIN, Tex. — In a final burst of energy, homesick Legislators broke the bottlenecks and started passing bills with machine-gun rapidity.

After days of delay, the Senate swept through most of the major bills last pending, in two days. It set a record for action this session and cleared the way for winding up money matters this week.

Report by the joint conference committee on the general appropriations bill was laid out for study. Approval of this bill plus two others designed to raise funds for teacher pay raises will be the signal for a fast finish. Most observers feel certain that enough money will be found to give teachers a \$400 across-the-board increase.

TEXAS-SIZE MESS

Relief workers face multiplying problems as they wade into the multi-million-dollar mess spread over water-lutted Texas. Preliminary estimates placed damage at \$85,000,000. This was before the Lower Brazos spread to a width of 13 miles in some places.

Federal Civil Defense Administration has an initial grant of \$1,000,000 to help restore community-owned facilities. More is being sought. One of FCDA's more pressing problems is helping rural residents decontaminate flooded wells and spray against insects that breed in standing water.

In all, some half-dozen state and federal agencies are working to salvage public buildings, roads, businesses and farms.

Farmers got a setback, however, when federal officials refused to let them switch flooded acreage for higher land in the soil bank program. It means some will have usable land they can't cultivate because it was previously allotted to the soil bank and other land, not in the soil bank, they can't plant either, because of flooding.

Even so, encouraging reports continue to come in from rural areas. First post-drought sales show grass-fattened cattle bringing higher prices. Small town bankers and businessmen report people are daring to spend again in anticipation of good crops.

NAACP PROGRAM LIMITED
NAACP can continue to operate in Texas, but with clipped wings. Unless a higher court reverses a Tyler district judge's ruling, NAACP will henceforth be permanently barred from all but "educational and charitable activities."

Suit to outlaw the organization in Texas was begun last year by former Atty. Gen. John Ben Shepperd. It has been carried on by the present staff under Atty. Gen. Will Wilson.

A temporary injunction issued by the Tyler court last fall halted all NAACP activity in the state. Present permanent injunction bans solicitation of lawsuits, and lobbying, in violation of state law. Court also ordered payment of back franchise taxes plus interest.

NAACP attorneys filed immediate notice of appeal.

WATER BILL FILIBUSTERED

A water storage buying proposal was down, and maybe out, after a 13-hour "discussion" by Sen. Otis Lock of Lufkin.

Lock's determined opposition meant several days delay on the measure at a time when delay often means death. Sen. George Parkhouse, of Dallas, sponsor, was so disgruntled he threatened to junk the whole water conservation program.

Proposal, if approved by the voters, would allow the state to issue bonds to purchase water storage space in federal reservoirs. Lock contended the plan would be so unpopular with voters it would sink the whole water program at the polls. He objected on grounds it would be non-self-liquidating and would bring in federal controls.

ENOUGH SAID
Senate apparently wants no more long talks on the segregation bills.

First such bill to come up brought on a record-breaking 36-hour filibuster. But the second one was shoved through in minutes after a vote to shut off debate.

Passed was a bill to require local elections before schools can be integrated.

Last apparent hope of the segregation opponents now is that

New Arrival

M&M Robert E. Lee of Kingsville, announce the arrival of a 7 lb. 15 oz. boy, Ronald Kenneth, on May 5. He is welcomed by two older brothers, Bobby and Billy. Grandparents are M&M William Boehme, Rt. 4, M&M M. Lee and paternal great-grandmothers Mrs. Nellie Zoller and Mrs. Annie Lee, all of San Antonio.

AWARDS — W. E. Berger, Herald took prizes in community service, column writing, editorial promotion and editorial writing. Photo courtesy San Antonio Light.

Seco Wants Closer Look At Farmer Who Knows What's Coming Up In 1957

Editor's note: The Seco Philosopher on his Johnson grass farm is trying to find a short cut to a farming profit, his letter this week indicates.

Dear editor:
Everybody is talking about the budget these days, as though budget troubles were something new, and they may be for some people, but not me — I've been having budget troubles ever since I can remember — and I was especially interested in an article I read in a copy of a newspaper which I picked up in the road near my house yesterday morning. I think somebody had thrown it out the night before with some tin cans wrapped in it.

According to it, officials in Washington are worried about the size of the budget and worried more about what'll happen to them if they cut out the wrong items, and consequently they've decided to call in a bunch of economists to tell them if the budget is so big it might break the country, and if not, whether the national economy is going to continue up or start down or hold its own.

Now the thing about this move that interests me is that among the economists and leaders invited to the conference is a farmer. They didn't say what farmer, but just added that in addition to leading economists, professors, business advisors, etc.,

there'd also be included a farmer.

What I want to know is: why is this farmer who knows what the economy is going to do in the next twelve months?

Furthermore, does he believe in it strong enough to plant by it? And if so, does it work? And if so, how come he's been keeping this information to himself?

That is, you take me, I've been trying to guess what the market 12 months away is going to be on the products from this farm out here for years, and I can count on the fingers on one hand the times I've hit it right.

I don't know about this farmer that's going to Washington, but I don't have any more idea at planting time what the market is going to be at harvesting time than what the weather will be like next Tuesday. Moreover, if there are any other farmers that know, they don't live close to me.

If Washington ever identifies this farmer that knows what the national economy is going to do in the next twelve months, I'd like to start a collection to bring him to Hondo and let the rest of us get a close look at him.

There are several questions I'd like to ask him about this year's crops, not to mention what the cattle market will be like this fall.

Yours faithfully,
J. A.

FRONT LINE OF FREEDOM

JUST a Newsstand? No.

It is a battleground.

In this tiny territory rival publications fight for the attention of the public. From left to right you can find all shades of political and social opinion, freely expressed. And because of this a newsstand is more than just a convenience in the life of an American town.

It is a front line.

There is another battle going on around a newsstand, more far-reaching than the competitive rivalry of paper against paper, magazine against magazine. For there are always people — yes, even here — who dislike to see opinions freely expressed... and who attempt to bring all sorts of restraining pressures on those who champion the Press's freedom.

But those who write and print and publish the free opinions of America, they see a threat to that freedom as a threat to all freedoms, and vigilantly hold back pressure-wielders from closing in on the newsstand.

For the newsstand is freedom's front line.
